SAILED THE SEAS 38 YEARS. One of His Experiences.

For thirty-eight years Capt. Loud followed the sea, most of that time as master of a vessel and upon retiring from the water was appointed by the Secretary of the United States Treasury to superintend the seal fisheries in Alaska, which position he held five years. He relates one experience as follows: "For several years I had been troubled with general nervousness and pain in the region of my heart. My greatest affliction was sleeplessness; it was almost impossible at any time to obtain rest and sleep. Having seen Dr. Miles' Restorative Nervine I began using it. After taking a small quantity the benefit received was so great that I was positively alarmed, thinking the remedy contained opiates which would finally be injurious to me; but on being assured by the druggist that it was perfectly harmless, I continued it together with the Heart Cure. Today I can conscientiously say that Dr. Miles' Restorative Nervine and New Heart Cure did more for me than anything I had ever taken. I had been treated by eminent physicians in New York and San Francisco without benefit. I owe my present good health to the judicious use of these most valuable remedies, and heartily recommend them to all afflicted as I was."—Capt. A. P. Loud, Hampden, Me.

Mr. Wm. Westlake, a prominent farmer and breeder of thoroughbred horses, living near Avoca, Neb., was so badly injured by being thrown from his sulky, as to be unable to raise his hand to his head. After using numerous liniments and consulting several physicians without getting any relief, he asked if I knew anything that would help him. I recommended Chamberlain's Pain Balm, which he used, and within two weeks he had entirely recovered the use of his arm. I consider Chamberlain's Pain Balm the greatest preparation ever produced for sprains, bruises, deep-seated and muscular pains, burns, and scalds. —J. J. During an epidemic of whooping cough at De Witt, Iowa, a prominent family there bought a fifty cent bottle Chamberlain's Cough Remedy for their children. It proved so satisfactory that they recommended it to their neighbors; and they in turn to others. In less than a week's time the druggist, Mr. C. V. Baxter, was having an immense run on it. The medicine is still the main reliance in that vicinity for coughs, colds, croup and whooping cough. Mr. Baxter says, "It sells on its merits." For sale by McConnell & Co.
