## BALD HEADS

What is the condition of yours? Is your hair dry, harsh, brittle? Does it split at the ends? Has it a lifeless appearance? Does it fall out when combed or brushed? Is it full of dandruff? Does your scalp itch? Is it dry or in a heated condition? If these are some of your symptoms be warned in time or you will become bald.

**SKOOKUM ROOT HAIR GROWER**

Is what you need. Its production is not an accident, but the result of scientific research. Knowledge of the diseases of the hair and scalp led to the discovery of how to treat them. "Skookum" contains neither minerals nor oils. It is not a dye, but a delightfully cooling and refreshing Tonic. By stimulating the follicles, it stops falling hair, cures dandruff and grows hair on bald heads.

Keep the scalp clean, healthy and free from irritating eruptions, by the use of Skookum Skin Soap. It destroys parasitic insects, which feed on and destroy the hair.

If your druggist cannot supply you, send direct to us, and we will forward promptly, on receipt of price. Grower, \$1.00 per bottle; 6 for \$5.00. Soap, 50c. per jar; 6 for \$2.50.

DEARLY beloved brethren, is it not about time for the passing of one McKeighan?

CONGRESS re-assembled on Monday. The full text of the president's message appears in this issue. Read it.

VANALEN has shown unexpected mettle in firmly declining the mission to Italy. His stock has gone up a number of points in the estimation of the average American. The tone of his letter was dignified, manly and clear to a marked degree.

COLONEL PETERSON, in his insane desire to quarrel with this paper, even picks up typographical errors and seeks to misrepresent and misconstrue them. Petty politeness seems to be one of his specialties.

THE amenities of newspaper life are somewhat strained up in Trenton. The fact is that there is liable to be quite a noticeable atmospheric disturbance wherever Tom and Bert reside within the same incorporation. And there is hardly room enough for both of them in Hitchcock county.

WHAT'S the matter with "Our Jim" Harris as ambassador to the court of King Humbert. Jim, we believe, could be induced to do the honors over in ancient Rome, if the matter was placed before him in its proper light. Jim wouldn't shirk plain democratic duty, even though it proved a pecuniary loss to him. He's a patriot.

THE following from the Beaver City Tribune was intended for some other fellow, but it applies to "Paramount Pete" with such peculiar force as to warrant reproduction here: "When you hear a pretended republican making a continuous howl against some other man's republicanism, just hunt up the kicker's past record and you will find that he never was a sound republican himself."

WHEN Oh! My! Peterson states that THE TRIBUNE in any manner has ever sought to breed religious discord and malice in this community he simply advertises himself as a mendacious and unblushing liar of immeasurable possibilities. Add sneak to this statement and you have a comprehensive and a faithful characterization of this mendacious and contemptible little busybody, who never tells the truth about this paper while a lie can be resurrected from his cowardly soul which he imagines may damage us.
