Dykeman, druggist, Catskill, N. Why not try a remedy so long tried and tested. Trial bottles free at McMillen's drug store. Regular size 50c and \$1.

More serious sickness is produced by allowing the bowels to remain in a torpid or partially constipated condition than from any other cause. In many instances diseases are produced from which people never wholly recover. Dyspepsia, piles and nervous disorders are three of the most common and most serious. They are caused by neglecting the bowels, and can be prevented by an occasional dose of St. Patrick's pills, which always produce a pleasant cathartic effect, and not only physic, but cleanse the whole system and regulate the liver and bowels. 25 cents per box, for sale by McConnell & Co.

The United States produced over 10,000,000 barrels of salt last year.

I have sold a number of bottles for rheumatism, and always with good results." 50 cent bottles for sale by McConnell & Co.

### Fashion Notes for Holiday Toilettes.

Elegant tailor made garments or those for the promenade are of plain cloth. They are often beautifully braided or trimmed with a soutache of another shade. A novel way of using fur is in perpendicular bands on the seams, starting from a fur head at about the height of the knee. Odd combinations are encouraged, and black and white, though not new, still continue in high favor. The mingling of lace, embroidery and far form the rich fashions of the present moment. The Eton Jacket, the Figaro and Zouave seem likely to remain fashionable for some time to come. A feature of this season's fashions is the richness of the materials used in gowns. The new dahlia tint, myrtle and brown are much seen in woolen goods combined with moire silk. These items of interest give only a faint idea of the many instructive points contained in the McDowell Illustrated Magazines from which they have been selected. These journals are the standard authorities in either Paris, London or America on everything pertaining to fashion. Besides their useful information they give valuable lessons to dressmakers and offer unusual inducements in the form of Patterns and Coupons. "La Mode de Paris" and "Album of Fashion" cost only \$3.50 a year each, or 35 cents a copy. "The French Dressmaker," an exceedingly practical magazine, is \$3.00 per annum. "La Mode," a family journal, which is intended to enter into every home costs only \$1.50 a year or 15 cents a copy. If you are unable to procure any of these magazines at your news dealer, do not accept any substitute from him, but apply by mail to Messrs A. McDowell & Co., 4 West 14 Street, New York.
