McConnell, the druggist, gives ten reasons why Chamberlain's Cough Remedy is the best.

1. It will cure a severe cold in less time than any other treatment.
2. It does not suppress a cough or cold; but loosens and relieves it.
3. It relieves the lungs, which is of great importance in treating a cold.
4. It is the only remedy that will cause the expulsion of mucus from the air cells of the lungs.
5. It renders the mucus less tenacious and easier to expectorate.
6. If freely used as soon as the first symptoms appear, it will cure a severe cold in a single day.
7. It will prevent croup and avert danger and anxiety arising from that dreadful disease.
8. It has cured thousands of cases of croup, and careful inquiry fails to discover a single case in which it has ever failed.
9. It does not contain opium, chloroform, or any other injurious substance. There is not the least danger in giving it to children.
10. Chamberlain's Cough Remedy acts in perfect harmony with nature and aid nature in relieving the lungs, and freeing the system of morbid matter, accumulated by cause of the cold. 50 cents per bottle.

There is enough good bread in a 35-foot gun to feed every hungry man, woman and child in Nebraska until another crop is made. Every experimental shot at Sandy Hook would fill to bursting a thousand little stockings that Santa Claus passed by. A man of war burns enough coal to run a thousand cook stoves that now burn only weeds, trash and street scrapings. —J. D. CALHOUN.
