More serious sickness is produced by allowing the bowels to remain in a torpid or partially constipated condition than from any other cause. In many instances diseases are produced from which people never wholly recover. Dyspepsia, piles and nervous disorders are three of the most common and most serious. They are caused by neglecting the bowels, and can be prevented by an occasional dose of St. Patrick's pills, which always produce a pleasant cathartic effect, and not only physic, but cleanse the whole system and regulate the liver and bowels. 25 cents per box for sale by McConnell & Co.

### THE SEVENTH DAUGHTER

Of the Seventh Daughter is said to be lucky, but her luck does not compare with the "lucky Number Seven" of Humphreys' Specifics, an infallible cure for coughs and colds. Try it.

McConnell, the druggist, gives ten reasons why Chamberlain's Cough Remedy is the best.

1. It will cure a severe cold in less time than any other treatment.
2. It does not suppress a cough or cold; but loosens and relieves it.
3. It relieves the lungs, which is of great importance in treating a cold.
4. It is the only remedy that will cause the expulsion of mucus from the air cells of the lungs.
5. It renders the mucus less tenacious and easier to expectorate.
6. If freely used as soon as the first symptoms appear, it will cure a severe cold in a single day.
7. It will prevent croup and avert danger and anxiety arising from that dreadful disease.
8. It has cured thousands of cases of croup, and careful inquiry fails to discover a single case in which it has ever failed.
9. It does not contain opium, chloroform, or any other injurious substance. There is not the least danger in giving it to children.
10. Chamberlain's Cough Remedy acts in perfect harmony with nature and aid nature in relieving the lungs, and freeing the system of morbid matter, accumulated by cause of the cold 50 cents per bottle.

There is enough good bread in a 35-foot gun to feed every hungry man, woman and child in Nebraska until another crop is made. Every experimental shot at Sandy Hook would fill to bursting a thousand little stockings that Santa Claus passed by. ### WHAT HE SENDS TO HIS BEST GIRL.

The up-to-date young man now sends to his best girl two or three long stemmed "selected" roses, as perfect of their kind as can be procured, and from the smartest shop in town, or a bunch of Roman hyacinths or fragrant violets, rather than a profusion of different blooms; and if he wishes to be specially impressive he may send a single stately American Beauty in a tall, slender vase of Austrian glass, and it will not be considered in the catalogue of gifts any more than the bonbonniere which conveys the crystallized rose leaves and violets. A box of candy, you know, does not conflict with the conventionalities regarding gifts, even though the box be of Dresden china or silver.—From "Chat" in Demorest's Family Magazine for February.

Mrs. N. Weyette, the Genesee county treasurer of the W. C. T. U. and a very influential worker in the cause of women, says: "I have used Parks' Tea, and find it is the best remedy I have ever tried for constipation. The Lincoln Call, always one of the very foremost of newspaper dailies, continues to improve. It has recently added Walt Mason, the best known of western humorists and authors, to its staff. Its condensation of the news of the world and its "Fresh Nebraska News" are features of especial excellence, and these, with its increased Associated Press reports, makes it in every sense a complete newspaper. Its price, \$5 per year, is little over half that of the other dailies, and it is not to be wondered at that its list is making a wonderful growth. The Weekly Call is \$1 a year.

"If you don't look better, feel better, eat better and sleep better, bring it back." That is what we say when we sell a bottle of "Parks' Sure Cure."
