12,000 CATARRH PATIENTS.

Treated Absolutely Free of Charge by Dr. Hartman.

The announcement made in many of the leading papers of the United States last November that Dr. Hartman, of Columbus, Ohio, would undertake the treatment of 10,000 catarrh patients free, was thought by many who would have gladly availed themselves of his offer to be a mistake. Nevertheless it was a fact, and already the 10,000 have applied and are already taking the first month's treatment. The elaborate preparations which the doctor made, and the great number of assistants required to carry on this undertaking, makes it possible for him to extend the number to 12,000. Therefore 2,000 more names will be accepted as regular patients. All that is required of the patient is to send name and address to Dr. S. B. Hartman, Columbus, Ohio, and complete directions for the first month's treatment will be sent at once. No charge is made at any time.
