McCormell, the druggist, gives ten reasons why Chamberlain's Cough Remedy is the best.

1. It will cure a severe cold in less time than any other treatment.
2. It does not suppress a cough or cold; but loosens and relieves it.
3. It relieves the lungs, which is of great importance in treating a cold.
4. It is the only remedy that will cause the expulsion of mucus from the air cells of the lungs.
5. It renders the mucus less tenacious and easier to expectorate.
6. If freely used as soon as the first symptoms appear, it will cure a severe cold in a single day.
7. It will prevent croup and avert danger and anxiety arising from that dreadful disease.
8. It has cured thousands of cases of croup, and careful inquiry fails to discover a single case in which it has ever failed.
9. It does not contain opium, chloroform, or any other injurious substance. There is not the least danger in giving it to children.
10. Chamberlain's Cough Remedy acts in perfect harmony with nature and aids nature in relieving the lungs, and freeing the system of morbid matter, accumulated by cause of the cold. 50 cents per bottle.

The Lincoln Call, always one of the very foremost of newspaper dailies, continues to improve. It has recently added Walt Mason, the best known of western humorists and authors, to its staff. Its condensation of the news of the world and its "Fresh Nebraska News" are features of especial excellence, and these, with its increased Associated Press reports, makes it in every sense a complete newspaper. Its price, \$5 per year, is little over half that of the other dailies, and it is not to be wondered at that its list is making a wonderful growth. The Weekly Call is \$1 a year.

LA GRIPPE BOOK FREE.

Sent Post Paid During February--Be Quick and Get One.

Nearly everybody is having la grippe now days, but what is still more unfortunate, a large per cent of those who are afflicted with this epidemic instead of getting well, as they ought to, will have chronic catarrh as the result. This is almost invariably the case unless Pe-ru-na is taken as soon as possible after la grippe begins. Every one who has observed the effect of Pe-ru-na during the three last epidemics of la grippe positively knows that this remedy will cure it permanently. The fact is, however, that a great multitude of people will not take Pe-ru-na, and the foundation for chronic catarrh will be laid. Here, again, Pe-ru-na is the only reliable remedy. Even in cases that the chronic catarrh has affected the lungs and the early stages of catarrhal consumption have been developed Pe-ru-na can be relied upon as a prompt and lasting cure. La grippe and catarrh are at present the two greatest enemies of life in the land. Pe-ru-na is a cure for either.

Send for a copy of the best book on these diseases. Sent free by the Pe-ru-na Drug Manufacturing Company of Columbus, Ohio.

W. I. Church, of Stanton Post, G. A. R., says: "I have tried nearly every cough remedy but have found nothing to compare with Parks' Cough Syrup. There is nothing on earth like it for bronchitis. I have suffered ever since my discharge from the army and Parks' Cough Syrup is the only remedy that has ever helped me."—Sold by A. McMillen.

Mrs. N. Weyette, the Genesee county treasurer of the W. C. T. U. and a very influential worker in the cause of women, says: "I have used Parks' Tea, and find it is the best remedy I have ever tried for constipation. It requires smaller doses and is more thorough. I shall use nothing else in future." Sold by A. McMillen.

Parks' Sure Cure is a positive specific for women who are all "run down" and at certain times are troubled by backaches, headaches, etc. Sold by A. McMillen.
