More serious sickness is produced by allowing the bowels to remain in a torpid or partially constipated condition than from any other cause. In many instances diseases are produced from which people never wholly recover. Dyspepsia, piles and nervous disorders are three of the most common and most serious. They are caused by neglecting the bowels, and can be prevented by an occasional dose of St. Patrick's pills, which always produce a pleasant cathartic effect, and not only physic, but cleanse the whole system and regulate the liver and bowels. 25 cents per box for sale by McConnell & Co.

Cauliflower is nothing but cabbage with a college education.

Bayes, Omaha, Nebraska. Sold by McMillen.

The Lincoln Call, always one of the very foremost of newspaper dailies, continues to improve. It has recently added Walt Mason, the best known of western humorists and authors, to its staff. Its condensation of the news of the world and its "Fresh Nebraska News" are features of especial excellence, and these, with its increased Associated Press reports, makes it in every sense a complete newspaper. Its price, \$5 per year, is little over half that of the other dailies, and it is not to be wondered at that its list is making a wonderful growth. The Weekly Call is \$1 a year.

CHEAP READING MATTER.

Improvements in Machinery and Large Volumes of Business Responsible.

There never was a time when newspapers were so good and so cheap as they are now. When THE STATE JOURNAL began issuing their paper twice a week at the same old price of One Dollar, the enterprise was hailed with delight, and tens of thousands of new names have been added to the list. THE SEMI-WEEKLY JOURNAL has made a contract with The Chicago Weekly Inter Ocean whereby it can send both papers a whole year for \$1.25. This gives readers three papers a week—Two JOURNALS and one Inter Ocean. It is simply wonderful the way orders are rolling in for this offer. THE JOURNAL and the New York Weekly Tribune are also \$1.25 per year.

Gov. Furnas has charge of THE JOURNAL's agricultural department, and I. L. Lyman is the poultry editor, which makes it unnecessary for JOURNAL readers to take farm or poultry papers. Its news features are away ahead of the old-fashioned weeklies giving telegraphic news and market reports several days ahead of the weeklies. Annin's Washington correspondence is a big feature. There is no question about your getting a big Dollar's worth.

The JOURNAL's \$1.90 offer is a hummer: THE JOURNAL, Inter Ocean, Nebraska Defender, Womankind, and American Farm News, five papers a year for \$1.90.

To any one who will send THE JOURNAL three new subscribers with \$3.00, the paper will be sent a whole year free. Sample copies and premium list sent free to any address. Send your orders to

"There is little in woman's advice, yet he that won't take it is not overwise," says Cervantes. This proverb is most aptly illustrated in the following item:

During the fall of 1882, while my daughter was teaching in the country near here, she contracted a severe cold and cough. I sent her a bottle of the Chamberlain Cough Remedy, and the effect was so satisfactory, that on her recommendation the entire neighborhood began its use, and with the most satisfactory results, which has continued with increasing confidence ever since.—J. H. Reinhart, Druggist, Alton, Kansas. 50 cent bottles for sale by McConnell & Co.

Two Papers for the Price of One.

The St. Louis Globe-Democrat—Semi-Weekly—Tuesday and Friday—Eight Pages each issue—Sixteen Pages every week—only one dollar a year, is unquestionably the biggest, best and cheapest national news journal published in the United States. Strictly Republican in politics, it still gives all the news, and gives it at least three days earlier than it can be had from any weekly paper published anywhere. The farmer, merchant or professional man who desires to keep promptly and thoroughly posted but has not time to read a large daily paper, will find it indispensable. Remember the price, only one dollar a year. Sample copies free.

A QUARTER CENTURY TEST.

For a quarter of a century Dr. King's New Discovery has been tested, and the millions who have received benefit from its use testify to its wonderful curative powers in all diseases of the throat, chest and lungs. A remedy that has stood the test so long and that has given so universal satisfaction is no experiment. Each bottle is positively guaranteed to give relief, or the money will be refunded. It is admitted to be the most reliable for coughs and colds. Trial bottles free at McMillen's drug store.

Mrs. N. Weyette, the Genesee county treasurer of the W. C. T. U. and a very influential worker in the cause of women, says: "I have used Parks' Tea, and find it is the best remedy I have ever tried for constipation.
