**A NEW ENTERTAINMENT**—"A rabbit hunt were the mysterious words on the invitations issued by a society bachelor for a few intimate men and women friends to pass an evening with. Some of the uninitiated did not realize the full significance of the occasion however, until, after some excellent music and a game of progressive hearts, small tables were brought in, each equipped with a chafing dish and the other paraphernalia and ingredients for a genuine Welsh rabbit, which expert members of a popular chafing-dish club proceeded to concoct. Favors for the ladies were toy rabbits filled with the dainty confections which it is au fait to carry in tiny silver bonbonnières. About midnight a ghost story was called for, which was thrillingly told by a dramatic raconteur, with the lights effectually low; but whether some miscreant, as at one memorable ghost story party, suddenly turned up a light at an unexpected moment and disclosed things intended to be strictly entre deux, is a point about which all the guests are suspiciously reticent.—From "Chat," in Demorest's Magazine for April.

More serious sickness is produced by allowing the bowels to remain in a torpid or partially constipated condition than from any other cause. In many instances diseases are produced from which people never wholly recover. Dyspepsia, piles and nervous disorders are three of the most common and most serious. They are caused by neglecting the bowels, and can be prevented by an occasional dose of St. Patrick's pills, which always produce a pleasant cathartic effect, and not only physic, but cleanse the whole system and regulate the liver and bowels. 25 cents per box for sale by McConnell & Co.

### I Owe it

To suffering humanity to tell the great benefit my wife has received from Parks' Sure Cure, the truly great liver and kidney cure. She has been constitutionally wrecked for several years. Bayes, Omaha, Nebraska. Sold by McMillen.

### CHEAP READING MATTER.

Improvements in Machinery and Large Volumes of Business Responsible.

There never was a time when newspapers were so good and so cheap as they are now. When THE STATE JOURNAL began issuing their paper twice a week at the same old price of One Dollar, the enterprise was hailed with delight, and tens of thousands of new names have been added to the list. THE SEMI-WEEKLY JOURNAL has made a contract with The Chicago Weekly Inter Ocean whereby it can send both papers a whole year for \$1.25. This gives readers three papers a week—Two JOURNALS and one Inter Ocean. It is simply wonderful the way orders are rolling in for this offer. THE JOURNAL and the New York Weekly Tribune are also \$1.25 per year.

Gov. Furnas has charge of THE JOURNAL's agricultural department, and I. L. Lyman is the poultry editor, which makes it unnecessary for JOURNAL readers to take farm or poultry papers. Its news features are away ahead of the old-fashioned weeklies giving telegraphic news and market reports several days ahead of the weeklies. Annu's Washington correspondence is a big feature. There is no question about your getting a big Dollar's worth.

The JOURNAL's \$1.90 offer is a hummer: THE JOURNAL, Inter Ocean, Nebraska Defender, Womankind, and American Farm News, five papers a year for \$1.90.

To any one who will send THE JOURNAL three new subscribers with \$3.00, the paper will be sent a whole year free. Sample copies and premium list sent free to any address. Send your orders to

NEBRASKA STATE JOURNAL, Lincoln, Neb.

The egotist has no use for the dotted line—he inflicts capital punishment on his readers.

"There is little in woman's advice, yet he that won't take it is not over-wise," says Cervantes. This proverb is most aptly illustrated in the following item:

During the fall of 1882, while my daughter was teaching in the country near here, she contracted a severe cold and cough. I sent her a bottle of the Chamberlain Cough Remedy, and the effect was so satisfactory, that on her recommendation the entire neighborhood began its use, and with the most satisfactory results, which has continued with increasing confidence ever since.—J. H. Reinhart, Druggist, Alton, Kansas. 50 cent bottles for sale by McConnell & Co.

Rounders are seldom on the square.

### A QUARTER CENTURY TEST.

For a quarter of a century Dr. King's New Discovery has been tested, and the millions who have received benefit from its use testify to its wonderful curative powers in all diseases of the throat, chest and lungs. A remedy that has stood the test so long and that has given so universal satisfaction is no experiment. Each bottle is positively guaranteed to give relief, or the money will be refunded. It is admitted to be the most reliable for coughs and colds. Trial bottles free at McMillen's drug store.

W. I. Church, of Stanton Post, G. A. R., says: "I have tried nearly every cough remedy but have found nothing to compare with Parks' Cough Syrup. There is nothing on earth like it for bronchitis. I have suffered ever since my discharge from the army and Parks' Cough Syrup is the only remedy that has ever helped me."—Sold by A. McMillen.

### Children Cry for Pitcher's Castoria.

Mrs. N. Weyette, the Genesee county treasurer of the W. C. T. U. and a very influential worker in the cause of women, says: "I have used Parks' Tea, and find it is the best remedy I have ever tried for constipation. It requires smaller doses and is more thorough. I shall use nothing else in future." Sold by A. McMillen.

Parks' Sure Cure is a positive specific for women who are all "run down" and at certain times are troubled by backaches, headaches, etc. Sold by A. McMillen.
