ECONOMICAL SPRING GOWNS

LADIES. A somewhat rapid glance over the coming fashions shows that they are practically the same as last year's. This fact, however, will prove a blessing in disguise, as it will enable many to exercise a well timed economy and take advantage of this sameness of style for remodelling old dresses. Every part of a gown can thus be made over, and especially the overskirt which will be so largely worn. By using an old skirt as an overdress above a sham skirt of a different material, the transformation will be at once both complete and effective. If the lower part of an old dress be worn or soiled, it may easily be removed, as the drapery in some styles is drawn up as far as the knee on the side, and half way between the foot and the knee in front. As a matter of course the draperies are varied in form and sometimes quite complicated. The McDowell Fashion Journal contains all the noveltices of the season, and moreover, in order to furnish further assistance to their readers, they offer a supplement of patterns of the latest styles. These may be secured by means of coupons at an exceedingly moderate price. "La Mode de Paris" and "Paris Album of Fashion" cost only \$3.50 per annum or 30 cents per copy. ### A NARROW ESCAPE!

How it Happened.

How it Happened.

The following remarkable event in a lady's life will interest the reader: "For a long time I had a terrible pain at my heart, which flutered almost incessantly. I had no appetite and could not sleep. I would be compelled and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought every minute would be my last. There was a feeling of oppression about my heart, and I was afraid to draw a full breath. I couldn't sweep a room without sitting down and resting; but, thank God, by the help of New Heart Cure all that is past and I feel like another woman. Boson using the New Heart Cure I had taken different so-called remedies and been treated by doctors without any benefit until I was both discouraged and disgusted. My husband bought me a bottle of Dr. Miles' New Heart Cure, and am happy to say I never regretted it, as I now have a splendid appetite and sleep well. I weighed 125 pounds when I began taking the remedy, and now I weigh 130%, its effect in my case has been truly marvelous. It far surpasses any other medicine I have ever taken or any benefit I ever received from physicians."—Mrs. Harry Starr. Pottsville, Pa., October 12, 1802.

Dr. Miles' New Heart Cure is sold on a positive guarantee by all druggists, or by the Dr. Miles' Mew Heart discovery by an eminent specialist in heart disease, contains neither onlates nor dangerous drugs.
