Don't Tobacco Spit or Smoke Your Life away is the truthful and startling title of a little book that tells all about No-to-bac, the wonderful, harmless guaranteed tobacco habit cure. The cost is trifling and the man who wants to quit and can't, runs no physical or financial risk in using No-to-bac—Sold by all druggists. Book at drug stores or by mail free. The Sterling Remedy Co., Indiana Mineral Springs, Indiana. Aug. 25-1 yr.

While Minnesota is one of the most healthy states in the Union, it is one of the worst for colds, owing to the severe winters. Many of the druggists there make it a rule to give their customers just what they call for; but when they come back and say it did no good, they almost invariably recommend Chamberlain's Cough Remedy, as will be seen by the following from Messrs. Wells & Schroeder, of Sanborn, Minn.: "We have recommended Chamberlain's Cough Remedy after other leading cough preparations have failed to do any good, and always with the best results. We can always rely upon that remedy, as it is sure to effect a cure. It has no equal for children, especially in cases of croup or whooping cough." 50 cent bottles for sale by McConnell & Co.

All these remedies are guaranteed to do just as claimed for them and the dealer whose name is attached herewith will be glad to tell you more of them. Sold at McMillen's drug store.

J. Hailey of Batavia, N. Y., conductor on N. Y. C. railway, and one of the best known men on the road, says of Parks' Tea: For ten years I have suffered from constipation. Tried everything and found nothing of lasting value. Hearing so many talking of Parks' Tea I tried it without much hope. The first dose moved my bowels easily and now I am cured. It works like magic.
