THE Republican party must become closer in touch and sympathy with the masses.

THE United States requires a larger use of silver. And the probabilities that we will in time, not remote either, have it.

Who is wise enough to guess the probable results of the Coxey movement and of the deep sympathy existing for it among the employed labor of the land?

THERE is little doubt but that Jack MacColl will have an enthusiastic following from western Nebraska for the Governorship. He is in every respect deserving of it, too.
