#### A POPULAR ELOCUTIONIST.

Mrs. J. W. REYNOLDS OF ELKTON, O.,  
RESTORED TO HEALTH.

Mrs. Reynolds, the well-known elocutionist and authoress, says she has suffered with congestion of the lungs, catarrh of the head, and was troubled with a bad cough. She had tried a number of physicians, but they all failed to cure her. She was induced to try Pe-ru-na, and immediately a marked change took place. After using Pe-ru-na her cough ceased, and in a short time her other ailments were cured. She is now completely restored to health, and gives all the credit to Pe-ru-na.

Speaking of lung diseases, Dr. Hartman says in a recent lecture: "For the multitudes of people that I treat annually for every imaginable form of throat and lung disease, Pe-ru-na is my invariable prescription. People come hundreds of miles, at great expense, to consult me for acute and chronic coughs, to return home with some advice and a bottle of Pe-ru-na, which they can continue to get at the nearest drug store; and the fame I enjoy in the treatment of such troubles comes from the use of this wonderful compound."
