THERE are warm times politically ahead.

CRUZEN got Frontier county after a bitter fight.

FRONTIER county has instructed for W. E. Andrews.

WE understand that Imperial will likely lose her newspaper, as Wauneta shortly will.

WESTERN NEBRASKA was never down deeper in the slough of despondency than just now.

AMERICA is about ready to try compulsory arbitration of some form. She has had a surfeit of costly strikes.

THERE is a general complaint of too high taxes over Nebraska, a fact, of course, partially traceable to the hard times.

PROF. ANDREWS is an ideal man and would make an ideal congressman, one for whom no one will ever need to apologize.—Hastings Tribune.

THE public health has been threatened by recent issues of the Curtis Courier and a car load of carbolic acid is now enroute to disinfect Doc Razez.

NEBRASKA's share of the federal government's appropriation to assist in the support of the state militia will be \$6,900, this year, out of a total of \$400,000.

PULLMAN will get his regular quarterly dividend of two per cent on August 15, just the same as though school had been in regular session all these piping days of peace.

JUDGE WELTY's vacation is being pretty well occupied with injunction cases. By the way, this injunction business is a somewhat modern innovation that is disposed to run to seed, is it not?

DOC RAZEZ stops the press long enough to warn the ladies of Curtis not to go in bathing too near bumble bees nests. The doctor is nothing, if not extremely gallant and solicitous for the fair sex.

NATURALLY we cater to the interests of the people of this great commonwealth in western Nebraska, and profoundly hope the brilliant Jack MacColl will succeed in winning the gubernatorial nomination next August. Mr. MacColl is big hearted and as big brained business man as ever came to this state. He is a man of deep erudition and stability of character, and withal, one who will make a pure and ideal governor.—Red Cloud Chief.

A. R. CRUZEN has succeeded in capturing the delegates from Frontier county to the republican state convention, who will support his candidacy for secretary of state. It was a mighty hard struggle that Cruzen had to secure the privilege of naming the delegates, but with the assistance of the county central committee he worked the convention. There were twenty votes recorded against him, but that was not enough. For weeks Cruzen had been putting in his time manufacturing sentiment favorable to his candidacy, and the machine was with him. He forced the local republican paper to support him, with the result that another newspaper was started to fight him and show up his record. It is said that this fight will be kept up and carried to the state convention.—Bee.

RAZEZ of the Curtis Courier, is as proud of Cruzen's glorious victory in Frontier county as the load of fertilizer was of the new red wagon, and celebrates the event by "roasting" everybody and singular. We'll see you later, Doctor.

CONGRESSMAN BRECKENRIDGE of Arkansas, who was defeated for renomination recently on account of his opposition to silver, has been appointed minister to Russia, vice Andrew D. White, resigned on account of ill health.

NORTH DIVIDE NUBBINS.

A good rain about this time would not come amiss.

Mr. and Mrs. I. P. Moore of McCook were Divide visitors one day last week.

Uncle Billy Johnson still insists that we are going to have rain soon, and lots of it.

Miss Martha Johnson has been chosen as teacher of the Divide school for the coming term.

Potatoes are a luxury just now. A great many have the vines but not the tubers; we have neither one.

Dan and Jack Cashen and Roy King left on Wednesday morning for Lancaster county in search of work.

James Thompson, who has been living on the Seaman place for the past two years, talks of leaving for Missouri.

"Vanie" Modrel has been sojourning in Lincoln and the eastern part of the state for the past few weeks.

Joe Sanders, the luscious dude of the big flat, stopped with friends here on his way to and from the county-seat, close of last week.

M. L. Brown has decided not to go to Texas, but is getting in readiness to leave for Lawrence, Kansas, in a few days, to remain there till the clouds roll by.

We understand that Frank King, who has been living up near Spring creek for the past few seasons, is preparing to leave, and intends locating near Lincoln.

M. Steltzer, who had a very promising piece of wheat on new ground, tried to harvest it, last week, but was compelled to give it up as there was scarcely any length to the straw.

Michael Dooley was made director of this district at the recent school election, and we hear it said that a number of the old board think that the whole district has gone to a decidedly warmer climate, or words to that effect, only a bit stronger.

A. T. Reeves, prior to his departure for California where he expects to go at an early day, will on this (Friday) evening give a reception to his numerous friends. A cordial "bid" is extended, and it is hoped that all will have a jolly good time.

The G. A. R. folks are talking of having a picnic on the Willow in a week or so which may be merged into a general affair for the benefit of the pastor, Rev. Vivian of Box Elder. A lengthy programme will be gotten up, and refreshments served in the grove.

Thomas Scofield, who has been in South Dakota for the past three or four weeks looking up a new location, has written for his family to join him there. They started overland with their effects on Thursday last. Mr. Scofield had been a resident of this vicinity for over twenty years.
