.. Of Plan.

AFTER a Very Thorough Test of the Credit System, I have concluded to change to CASH, or thirty days net to reliable parties. By this means I shall increase trade and give **YOU ALL THE BENEFIT** of what heretofore had to be charged for uncollectable accounts. This is no reflection on you, but a plain business statement. I can easily afford to sell at lower prices in this way.

County Attorney Dodge arrived home, Wednesday night, from a visit up in Grant county, with his sons, looking for feed. He reports hay plentiful up there, but that it is impossible to get the feed out of the country, so parties are taking their stock there to winter. He states that Matt. Droll, Henry T. Church, Irv. Spaulding and others have adopted this plan.

The reporter wrote it August 7. The compositor set it August 17. The proof reader did not do his duty, although it was his own wedding notice; and that is how it happened that last week's Courier said that Mr. and Mrs. E. J. Mitchell would be at home to their friends after August 17.—Courier.

GENERAL PLEASANTON of "Blue Glass" fame is dead. There are plenty of young mothers, readers of THE TRIBUNE who have grown up since "blue glass" became a national craze and can tell their little ones of it only by hearsay. Yet at one time it created a great sensation in the country. General Pleasanton had a theory that the rays of the sun coming through blue glass had peculiar health-giving properties. People put blue glass in their doors and windows and skylights; they put blue glass in their conservatories and in their stables. Invalids sat under blue glass and experienced wonderful cures—and to-day the craze is as dead as idolatry in the land. Thus wags the world away.

WHILE Mr. Cruzen, in Frontier county, candidate for secretary of state, only secured his delegation to the state republican convention by the skin of his teeth, and the opposition has started a paper to fight him in his own county, J. A. Piper will not have to make any such canvass. He will go into the convention with the hearty support of the county and neighborhood where he lives.—Stamford Enterprise.
