It was decided, Monday, that the sale of the Minneapolis & St. Louis railroad by the sheriff will take place October 11, in Minneapolis. It will take about \$5,000,000 to redeem the property, and it is practically assured that the Rock Island system will bid it in. He was shot three times with a .38-calibre revolver and expired shortly afterwards. The trouble started in a dice game. Coroner Pritchett viewed the body with the jury and adjourned until Tuesday morning. Williams boldly states that he shot to kill and is ready to pay the penalty of his act. Smiley leaves a wife and four children. Williams has a wife and one child. There are wild rumors and the jail is being closely guarded.—State Journal.

As a result of their connection with the recent great strike a large number of railroad men in St. Paul are making arrangements to leave the country, claiming they have been placed on the black list of all the railroads and can secure no places, no matter whether there are vacancies or not. About forty of these have made preliminary arrangements to go to the cape of Good Hope and South Africa, and others are talking of going to Brazil. Hard times here, work elsewhere and cheap transportation largely influenced them, although they claim the principal cause is they are marked men and have no chance whatever of employment in this country.

## Children Cry for Pitcher's Castoria.

While in Lincoln, Thursday, we were deeply pained to meet Mr. and Mrs. P.D. Galarneau, who were on their way home to Alliance with the remains of their baby. They recently took the little one to Lincoln for treatment, which proved unavailing, its gentle spirit returning to its Maker, and with sad hearts they were taking the remains home for burial. They have the sympathy of many McCook friends.
