During the recent strikes many railroads applied to the general government for protection, and troops were packed on trains and along the disturbed portions of their routes. Now the companies who availed themselves, for the protection of their property, are filing bills with the war department for the transportation of soldiers, whose chief duty was to keep their lines open and guard their property. Nothing, it is asserted, was said about charging for carrying troops at the time they were asked for and it was supposed that the roads would transport them free of cost, as their services were chiefly needed to support the interests of the roads. This, however, is not the case and the railroad companies want pay for carrying troops who protected their property. The department opposes the payment of the charges and it is likely will contest the claims in court.

CATARRHAL DYSPEPSIA.

A DISCOURAGED INVALID RESTORED TO HEALTH AND HAPPINESS.

Catarrh of the stomach causes a condition known as dyspepsia or indigestion. It usually results from catarrh in the throat, but sometimes occurs in people who have never had catarrh elsewhere. The symptoms of dyspepsia are: Liver complaint, biliousness, sour stomach, water brash, bloating after eating, constipation, piles, and, in many cases low spirits, dizzy head, sympathetic heart palpitation, pain, indigestion, and looseness of the bowels. Pe-ru-na and Man-a-lin, taken according to directions on the bottle, will cure every one. The following is a specimen of the letters received from patients:

O. S. McQuillan, Spring Hill, Iowa, writes: "Four years ago last fall my stomach, without any previous warning, refused to perform its functions, and I soon lost strength. During this time food was forced through my stomach by using cathartics. With flesh wasted away, strength exhausted so that it took all my strength to even get into a bath tub, hopes all gone, I began to take Pe-ru-na and Man-a-lin, following free advice which Dr. Hartman gave me. In a short time I could eat nourishing food, and the piles, kidney trouble and constipation disappeared. Flesh, strength, and a splendid appetite returned, and I went to work."

For treatise on catarrh, coughs, colds, consumption, and all climatic diseases of winter, send for Family Physician No. 2. Address The Pe-ru-na Drug Manufacturing Company, Columbus, Ohio.
