# CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

### Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. Osmond,  
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

Dr. J. F. Kinghelo,  
Conway, Ark.

### Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. Archer, M. D.,  
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

**Non-pull-out**

is an arbitrary word used to designate the only bow (ring) which cannot be pulled off the watch.

Here's the idea

The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the grooves, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

It positively prevents the loss of the watch by theft, and avoids injury to it from dropping.

IT CAN ONLY BE HAD with Jas. Boss Filled or other watch cases bearing this trade mark.

All watch dealers sell them without extra cost. Ask your jeweler for pamphlet, or send to the manufacturers.

As there are so few Fat Hogs coming to this market, I have decided to make each Saturday a special market day for buying hogs. This will save much expense in feed and in shrinkage, and if the farmers will co-operate in this it will aid considerably in establishing a good home market.

ANNOUNCEMENTS.

The Lady Maccabees announce a supper and ball for December 19th. Particulars next week. There's a good time coming.

The Ladies of the Maccabees will give a calico ball, December 20th. Tickets 75 cents a couple; ladies and children 25 cents. Both tickets include supper.

A meeting of the ladies of McCook is requested at the residence of A. J. Chambers on Marshall street, next Monday afternoon at two o'clock, to form a Circle of the King's Daughters, and to perform some important and charitable work. Let there be a full attendance of the earnest, benevolently disposed women of our city.

Vigilance Committee.

Owing to the fact that numerous thefts have been committed in this precinct of late, the citizens of Driftwood and vicinity met, December 5th, and organized a strong committee to co-operate with the sheriff in protecting property and bringing thieves to justice. Lewis Farlin was elected captain; R. D. Rogers, first lieutenant; Charles Eller, second lieutenant. "Forbearance has ceased to be a virtue," and we will make it hot for law-breakers in this precinct. By order of COMMITTEE.

No Court Docket.

W. O. Bond, clerk of the district court, writes us that he has been instructed by Judge D. T. Welty not to have any dockets printed for the next term of the district court for Red Willow county, which, we believe, commences on the 18th of this month. Whether for economical or prudential reasons we know not.

By reference to his card appearing elsewhere in this issue it will be noticed that F. S. Wilcox is still continuing the business of buying and selling stock of all kinds, and that he is making his headquarters at the old stand in the B. & M. meat market.

Thomas Pate has a grain sack in his possession belonging to someone else that he would be pleased and contented to turn over to the rightful owner, upon a simple request. It belongs to the person who made a raid on his corn bin, about election night. So don't all claim the bag at once.
