Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea—the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. Osborn,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

Dr. J. F. Kincheloe,
Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. Archer, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

Hessie Meyers returned from her visit to Mrs. Taylor at Sunnyside on Tuesday.

There was a welcome party at Mrs. Canaga's, Saturday evening, to welcome the Misses Canaga home. Miss Mary has been away teaching for many months and Ida has been attending the Christian Academy at Fairfield, from which, we believe, she graduated this month. It is needless to say the party was an entire success.

Rev. E. B. Crippen, of Beaver City, stopped with friends here over night on his way from Chase county.

One of our old settlers is perfecting a plan to hold all the rainfall during a heavy rain by perforating the soil to a depth of six feet. Holes three inches in diameter and four feet apart each way are to be bored by horse power by means of a movable machine that will go over about five acres per day. On cultivated lands this will need to be done every season and on the sod every four or five years.

Every Indianola merchant should at least have a small advertisement in the county fair premium list, which will be ready for distribution in about two weeks. See Secretary Beck at once.

J. H. Goodrich went up to McCook, Wednesday, in search of some stray horses. Quite a few of the animals he wintered on his Stinking Water ranch, strayed away, causing him considerable trouble and expense.

Misses Lou Beardslee and Clara Harpersett and Messrs. James McCallum and Fred Beardslee took in the commencement exercises of the McCook High school, Saturday evening last. The boys returned home Sunday, but the girls remained a few days visiting McCook friends.

Wesley Rozell's actions in rushing in at three o'clock in the morning and trying to harness the old cow, are pardonable—twins, both girls.
