Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. OSOONO,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

Dr. J. F. KINCHLOE,
Corway, Ark.

The Contour Company, 77 Murray Street, New York City.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

DO YOU WANT TO STOP TOBACCO? YOU CAN BE CURED WHILE USING IT.

The habit of using tobacco grows on a man until grave diseased conditions are produced. Tobacco causes cancer of the mouth and stomach; dyspepsia; loss of memory; nervous affections; congestion of the retina and wasting of the optic nerve, even to the extent of blindness, dizziness or vertigo; tobacco asthma; nightly suffocation; dull pain in the region of the heart, followed later by sharp pains; palpitation and weakened pulse; resulting in fatal heart disease. It also causes loss of vitality.

QUIT BEFORE TOO LATE.
To quit suddenly is too severe a shock to the system, as tobacco—to an inveterate user, becomes a stimulant that his system continually craves. "BACCO-CURO" is a scientific and reliable vegetable remedy, guaranteed to be perfectly harmless, and which has been in use for the last 23 years, having cured thousands of tobacco users—smokers, chewers and snuff-dippers.

You can use all the tobacco you want while taking "BACCO-CURO". It will notify you when to stop. We give a written guarantee to permanently cure any case with three boxes, or refund the money with 10 per cent interest.

"BACCO-CURO" is not a substitute, but a reliable and scientific cure—which absolutely destroys the craving for tobacco without the aid of will power, and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.
Sold by all druggists, at \$1.00 per box, three boxes (thirty days' treatment) and GUARANTEED CURE, \$2.50, or sent direct on receipt of price. Send six two-cent stamps for sample box, booklet and proofs free. Write to Chemical & Manufacturing Company, Manufacturing Chemists, LaCrosse, Wisconsin.

A VALUABLE FIND.

After years of study and labor there has at last been discovered a sure and never-failing remedy. It has been tested on patients who have despaired of ever being cured, and the results have been in every case wonderful. Goff's rheumatic cure is unequalled as a positive remedy in all cases of chronic and acute inflammatory rheumatism, gout, lumbago, sciatica and neuralgia; especially ovarian neuralgia; dysmenorrhea and all kinds of female troubles. It is also a valuable blood purifier, being especially useful in eczema, psoriasis, scrofula, all glandular enlargements and diseases of the liver and kidneys. It is absolutely free from all narcotics. Severe attacks are relieved in from one to three days, and a positive cure effected in from five to eighteen days. For sale by McConnell & Co., 329-331.

That Opening in Your Face.

Your mouth is the front door of your face. It is the aperture to the cold storage of your anatomy. Some mouths look like peaches and cream, and some like a hole in a brick wall to admit a new door or window. The mouth is a hot-bed of tooth-aches, the bungalow of oratory. It is the crimson aisle to your liver. It is patriotism's fountain and the tool chest for pie. Without it the politician would go down to an unhonored grave and the office-seeker a wanderer upon the face of the earth. It is the grocer's friend, the orator's pride and the dentist's hope. It puts some on the rostrum, and some in jail. It is temptation's lunch counter when attached to a maiden, and a tobaccoist's friend when attached to a man. Without it married life would be a dream and a girl would lose half of her attractions.
