My little boy, when two years of age, was taken very ill with bloody flux. I was advised to use Chamberlain's Colic, Cholera and Diarrhoea-Remedy, and luckily procured part of a bottle. I carefully read the directions and gave it accordingly. He was very low, but slowly and surely he began to improve, gradually recovered, and now is as stout and strong as ever. I feel sure it saved his life. I never can praise the remedy half its worth. I am sorry everyone in the world does not know how good it is, as I do.—Mrs. Lina S.
