My little boy, when two years of age, was taken very ill with bloody flux. I was advised to use Chamberlain's Colic, Cholera and Diarrhœa Remedy, and luckily procured part of a bottle. I carefully read the directions and gave it accordingly. He was very low, but slowly and surely he began to improve, gradually recovered, and now is as stout and strong as ever. I feel sure it saved his life. strong as ever. I feel sure it saved his life. I never can praise the remedy half its worth. Children Cry for Pitcher's Castoria.

Since 1878 there have been nine epidemics of dysentery in different parts of the country in which Chamberlain's Colic, Cholera and Diarrhoea Remedy was used with perfect success. Dysentery, when epidemic, is almost as severe and dangerous as Asiatic cholera Heretofore the best efforts of the most skilled physicians have failed to check its ravages this remedy, however, has cured the most malignant cases, both of children and adults, and under the most trying conditions, which proves it to be the best medicine in the world for bowel complaint. Children Cry for Pitcher's Castoria

Six weeks ago I suffered with a very severe cold; was almost unable to speak. My friends all advised me to consult a physician. Noticing Chamberlain's Cough Remedy advertised in the St. Paul Volks Zeitung I procured a bottle, and after taking it a short while was entirely well. I now most heartily recommend this remedy to anyone suffering with a cold.—William Keil, 678 Selby avenue, St. Paul, Minn. For sale by L. W. McConnell
