WM. M. ANDERSON.

CLERK OF THE DISTRICT COURT.

I hereby announce myself as a candidate for nomination to the office of Clerk of the District Court, subject to the decision of the Republican county convention.

C. B. GRAY.

FOR COUNTY CLERK.

We, the undersigned Republican voters of Box Elder precinct, desire to present M. E. Piper to the Republican voters of Red Willow county as our former candidate for the office of county clerk, and hereby pledge ourselves to present him to the Republican county convention by the Box Elder delegation. Signed:

J. A. Pinkerton, Thomas Pinkerton, Chas. Foye, A. W. Campbell, Ira H. Harrison, Josiah E. Moore, T. M. Campbell, Josiah Moore, Sr., A. T. Wilson, I. S. Johnson, James Kinghorn, C. E. Werner, Will B. Sexson, Peter A. Brower, V. Bogle, H. B. Anderson, R. H. Harrison, E. Ward, Amos Hauxwell, S. C. King, M. R. Loomis, George N. Henderson, G. W. Loomis, J. F. Ingels.

THE COUNTY FAIR.

The county fair which closed yesterday was not all that the association labored for and hoped to make it, but in some particulars it was quite meritorious. At any rate little or no blame attaches to the officers of the association. They performed their work energetically. However, the agricultural feature of the fair was a success. The hall was well filled with small grains, corn, vegetables, fruits, etc., and of a high grade of excellence. In fact, perhaps Red Willow county never produced a finer lot of vegetables than have been dug from her soil this season. In needlework, pastry, canned fruits, paintings, etc., the exhibit was hardly up to former years.

In stock, poultry, etc., there was a noticeable shortage indeed. But few chickens, cattle or hogs being on exhibition. The display made by W. N. Rogers of the Shadeland stock farm was the only notable feature of the stock display. His twelve Herefords of all ages could be successfully shown at any state fair. They are beauties.

But it was in the races and the amusement line generally that the fair was not up to the average; but as horses did not put in an appearance to do the racing the management cannot be blamed for this flunk, as they made the very best of everything in that line that came to their hand.

The attendance was pretty good—especially on Wednesday, when McCook turned out in numbers as is her custom on the occasion of the county fair; and it is quite likely that the association will be able to pay the premiums in full.

The discomforts of heat, dust and wind suggest that it would be better to hold the county fair a week or two later in the future.

Jacob Longnecker won the Aeromotor Co.'s wind with his tubers.

W. N. Rogers took everything in sight with his Herefords, and besides had a splendid agricultural display.

Jas. Roberson of Valley Grange precinct carried off a number of premiums on his vegetable display.

The races were the greatest disappointment. There were but few good ones during the meeting.

Courier: Friday evening C. W. Barnes of the McCook Times-Democrat received word that his wife who is at present in Denver had given birth to a daughter. Charles left for that place, Saturday, and found on his arrival that the report was true. Whether the new woman demanded bloomers and a bicycle of the "governor" on his arrival and presentation, our brother did not state.

THE TRIBUNE congratulates.

INDIANOLA.

Mrs. J. H. Bayston, has been quite ill.

Mesdames I. A. Sheridan and Banks spent Saturday in McCook.

Miss Ellington Wilson was a Sunday visitor in the county seat, from McCook.

The cigars are on someone, as Chas. Freelove is the republican nominee for Constable, in Bondville precinct.

Representative Lamborn was up from Wilcox, over Sunday, and took in the Judicial Convention at the metropolis, Saturday.

The county fair quickened our municipal pulse quite noticeably, a day or two this week. The saloon, especially, seemed to be doing a land office business, during the fair.

Typhoid fever claimed J. A. Cass the Danbury lumberman, as its victim, Monday of this week, after a long illness. He was one of the leading citizens of that burg and his death will be deeply deplored. A wife and three small children survive him.
