OUR SCHOOLS.

Erwin Hopt, of Bartley, is a member of the high school.

Rapid progress has been made in singing since Mr. Magee has assumed the position of choir master.

The pupils were given a full day holiday, Wednesday, to give the children an opportunity to attend the county fair.

In order to raise some money with which to purchase some new lantern slides, an admission fee of ten cents is now charged to all outsiders.

The Wednesday Evening club did not carry out the prepared program for the reason that many of those who had a part in it did not get back in time from the fair. The impromptu program consisted of several pieces of music and a story by Mr. Valentine.

Although the old school books have been used until they have nearly gone to pieces, very few new books have been bought, this year. The contract with the American Book Company will expire this year and it is expected the Board will enter into an agreement with some other firm for all school supplies. Mr. Valentine has promised to make a bonfire out of the worn out books when the new supplies arrive, and this has induced the scholars to bear with fortitude the old books for another year.

Land! Land! Land!

I have the largest list of lands on my books of any agency in southwestern Nebraska, and all of these lands can be bought right and at prices that will make the purchaser money. But in addition to my regular list I have a few tracts upon which I took options, last spring, and for the next 60 days I can sell these lands at dry weather prices. There are some very fine alfalfa lands among them. C. F. BABCOCK, Office on Main st., opposite hotel.

Children Cry for Pitcher's Castoria.

In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y., says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not want to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequalled by any other. They are for sale by McConnell & Co., druggists.
