JUDGE BRADLEY DENOUNCES ARMES' ARREST.

He Says It Was Unjust, Unlawful, Arbitrary. Tyrannical and Capricious on the Part of the Retired Commander, in Whatever Capacity He Acted-The Captain Discharged-Case Will be Appealed.

The Case of Captain Armes. WASHINGTON, Oct. 11 .- Judge Bradley of the district supreme court today ordered the discharge from custody of Captain George A. Armes, who was arrested on the order of Lieutenant General Schofield, just prior to the latter's retirement from the command of the army, for having written him

an insulting letter. The judge said: "The arrest and taking of Armes into custody, carrying him away from his home to barracks and holding him in close arrest without any antecedent charge of crime preferred in any way against him was and is unjust, unlawful, arbitrary, tyrannical and capricious on the part of General Schofield in whatever capacity he acted, whether acting as lieutenant general or acting secretary of war. The petitioner

is discharged.' The judge then went into the matter at considerable length and said: "No charge was preferred against Armes at the time of his arrest, no crime has been charged since, and for the offenses alleged, no arrest was necessary. The arrest and confinement were unlawful and oppressive. As the offense charged would, upon substantiation, result only in reprimand, suspension or dismissal, the possession of the body of the accused was not necessary to carry out the charges, as the bars. would have been the case if imprisonment or death was to be the sentence." Speaking of the president's power in army matters, the judge said: "The president of the United States is commander-in-chief of the officers of the army on the retired list. This function of the chief executive, however, is unaccompanied by harrowing care or weighty responsibility. His title of commander-in-chief, so far as it re-

be an empty name.' The judge advocate general of the war department has determined to take an appeal from the decision of Judge Bradley. This will carry the matter to the court of appeals of the District of Columbia.

NEW YORK, Oct. 11.-The Congregational Home Missionary society is in is empty and, inasmuch as only \$100,-200 of the indebtedness is secured by collateral, the banks have refused further unsecured loans. The salaries of the home missionaries were due October 1. Failure to receive them means in many cases borrowing of local banks at high rates of interest. The society is absolutely dependent for the time being upon the gifts of thurches and individuals. The present situation is due not only to the hard times, but to the chronic omission of Congregational churches to take their missionary collections in the summer and early fall. The severity of the crisis is great, but temporary.

### DURRANT ON THE STAND

He Displays Remarkable Coolness and Nerve During the Ordeal.

SAN FRANCISCO, Get. 11 .-- Theodore Durrant, assistant superintendent of Emanuel Baptist church Sunday school, was placed on the stand yesterday for the purpose of convincing the jury that he did not murder Blanche Lamont April 3. With the same coolness that has characterized his conduct since his arrest he denied the principal allegations that have been made against him by the most important witnesses for the prosecution. His answers were always brief and to the point and by many were interpreted to mean that he had studied his part well before taking the stand. Questions that would ordinarily case a visible impression on a guilty man were answered by Durrant with the utmost unconcern. Even when Attorney Deuprey asked him if on the 3d of April or at any other time he murdered or participated in murdering Blanche Lamont, the prisoner coolly replied in the negative.

Well, it needs no acumen to discover that our nature is all atwist and askew and unjointed. The thing doesn't work right. The biggest trouble we have in the world is with our souls. Men sometimes say that, though their lives may not be just right, their heart is all right. Impossible. A farmer never puts the poorest apples on top of his barrel; nor does the merchant place the meanest goods in his show window. The best part of us is our outward life.
