This is especially valuable in cases where the pain is caused by a cold and there is a tendency toward pneumonia. For sale by L. W. McConnell & Co.

Children Cry for Pitcher's Castoria.
Not a few who read what Mr. Robert Rowls of Hollands, Va. has to say below, will remember their own experience under like circumstances: "Last winter I had a gripe which left me in a low state of health. I tried numerous remedies, none of which did me any good, until I was induced to try a bottle of Chamberlain's Cough Remedy. The first bottle of it so far relieved me that I was enabled to attend to my work, and the second bottle effected a cure." For sale at 25 and 50 cents per bottle by L. W. McConnell & Co.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
Dr. G. C. Osmond,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. Kingeole,
Conway, Ark.

Castoria.
"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. Archer, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
