True Patriotism.
True patriotism will lead men to purify their own lives. Every criminal, every debaucher, is a blemish upon my country. Every pure man, every scholar, every true man adds to her greatness. The country called for soldiers once. True patriots responded. To day she calls for pure, earnest, honest men. True patriots will again respond to her call.—Johnston Myers.

HOW TO TREAT A WIFE.
(From Pacific Health Journal.)
First, get a wife; second, be patient. You may have great trials and perplexities in your business, but do not therefore, carry to your home a cloudy or contracted brow. Your wife may have trials, which, though of less magnitude, may be hard for her to bear. A kind word, tender look, may do wonders in chasing from her brow all clouds of gloom. To this we would add always keep a bottle of Chamberlain's Cough Remedy in the house. It is the best and is sure to be needed sooner or later. Your wife will then know that you really care for her and wish to protect her health. For sale by McConnell & Co., druggists.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became a Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

For every quarter in a man's pocket there are a dozen uses; and to use each one in such a way as to derive the greatest benefit is a question every one must solve for himself. We believe, however, that no better use could be made of one of these quarters than to exchange it for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, a medicine that every family should be provided with. For sale by McConnell & Co., druggists.
