NORTH DIVIDE.
Potatoes are about as scarce an article hereabout as any thing we know of.
Omer Hale has been busy the past few weeks sowing about 50 acres to fall wheat.
Dan Cashen will occupy the Goeben place and has been getting things in readiness for the winter.
Another correspondent has blossomed out from this precinct. We have more writers now than news to write about.
Tony Steltzer took a short lay off from clerking behind the plow so as to be in good trim for the foot races at Indianola during the week.
Jack Cashen is attending school in McCook again this term. Jack is a clever lad and no place fits him so well just now as the school room.
Seven gallons of sorghum from about as many loads of that article was the share one of the patrons of the sugar works got for his time and trouble.
A large wolf trap disappeared from this place in a fast hurry one morning last week. Anyone meeting with a coyote thus decorated, kindly head him this way.

Ed. Stewart is up from Harlan county visiting relatives and acquaintances. Mrs. W. X. Johnson will accompany him on his return and sojourn for a brief while in the vicinity of their old home near Alma.
Some yokel has placed a large, neatly lettered sign upon the gate post near the Box Elder church, and which reads: "Cats Wanted". No one seems to know who would want or need cats at a gate so it looks like the doings of some dum kuff.
A team of horses belonging to William Hyatt was drowned in the Willow, last Thursday. Mr. Hyatt was engaged in hauling driftwood from the bottom, and it appears that after his wagon was heavily loaded the horses became unmanageable and backed into the stream.
Rev. Vivian and Chas. Masters took a trip overland to Nickerson county, Kansas, to be gone a week or so. Mr. Vivian goes mainly for a vacation and to visit a sister whom he has not seen for several years. Charley being a good hand with shootin' irons, can slay rabbits and quails along the way and make a good companion for the little minister.

We were not correctly informed as to the taffy pulling which should have taken place on a recent evening up at Dick Moore's, and which was to have been for the benefit of the church. A misunderstanding as to the time and location caused a general gee haw among those who had the business in tow, so the church and another evening were decided upon.
A right jolly crowd was present at the Box Elder church on last Thursday evening in response to a general 'invite' to drop in and take tea with the preacher. There was music and singing in abundance, after which Rev. Vivian made a few remarks in his happiest manner. Mrs. Betts of Hawarden, Iowa, gave a select reading which for real merit was irreproachable. Thus a delightful evening was spent, a toothsome lunch partaken of and plenty of taffy for everybody there.

NORTH COLEMAN.
Ben Summers was in our part of the precinct, Tuesday.
Miss Lulu Summers was visiting Mrs. Epperly last Saturday and Sunday.
Rev. Vivian being at conference, there was no preaching at Spring Creek, Sunday.
Married—Chas. D. Hayden and Hannah McBride, both of Lincoln precinct, Frontier county.
A singing school has been organized at Coleman school house, to be taught by Prof. Newsbaume. It will be held on Saturday evenings.
A moonlight spook visited a Coleman melon patch recently. The owner says he knows it was a Republican from the fact that he left one melon.
Grandma Shepherd and her son Taylor are thinking of returning to Roseburg, Oregon, this winter. There seems to be no place like that to them.
There was ice to be seen, this morning, as thick as common window glass. The beautiful verdure has taken on a somber hue, and the flowers, where are they?

The Republican ladies are far more numerous at the campaign addresses than the Pop ladies. Mrs. M. L. Brown says, "I wish I could vote, I'd put in one big vote for McKinley."
The census is steadily increasing, as there is a young postmaster at Osborn, Frontier county. Its parents are happy. A little daughter was also welcomed at James Ryan's, September 30th.
There was a full house to greet Dr. Harlan at Coleman school house, last night. He gave a straight forward sensible talk to which all gave strict attention. The McKinley club will meet on Monday nights hereafter.
For our part we have not felt it our duty to find fault with the poetry from Pleasant Ridge. Peace, peace, let us have peace. What solid comfort there would be in reading THE TRIBUNE if the golden rule were always kept in view.

I. B. Stryker, who unfortunately cut himself above the knee, September 26th, has been laid up since, but is gaining slowly. It will be some time before he will be able to resume his duties.
Dr. Harlan of Allen precinct, Frontier county, expounded Republicanism at the Spring Creek school house, Monday evening. We are told that he made his points very plain, and that he is an excellent speaker. After the speaking a McKinley club was organized with about 40 members from several different precincts. The doctor spoke on Thursday night in Coleman school house.
Last week there was an overmuch scarcity of wind, so much so that most cisterns in this locality were empty and the farmers had a change of occupation and were hauling water by the wagon load. The wind finally started up, the wheels of the windmills responded and went flying around, the beautiful silver stream began to flow and the heart of the farmer was made joyous thereby.
County Supt. Carnahan visited in dist. 74 on Tuesday, the 29th. He gave an interesting talk to the pupils. He said that Miss Irwin is the teacher, not the learner; and that if the pupils would advance as they should they must come regularly and study hard. When they got to the 9th grade they could go to town school free and not have to pay like he and Miss Irwin did. He gave the school an invitation to come down to the fair at Indianola on Friday. He then sped away on his free silver tipped bicycle and was soon out of sight. It is a pleasure to read in the papers that the schools are getting along so nicely over the county.

It is carpeted, upholstered in rattan, has spring seats and backs and is provided with curtains, bedding, towels, soap, etc. An experienced excursion conductor and a uniformed Pullman porter accompany it through to the Pacific coast. While neither as expensively finished nor as fine to look at as a palace sleeper, it is just as goods to ride in. To Subscribers of The Tribune.
Readers of THE TRIBUNE will please remember that cash is an essential in the publication of a paper. The publisher has been very lenient during the past few years, on account of crop failures and hard times, and as a consequence many hundreds of dollars are due on subscriptions. We are now compelled to request all who can to call and make settlement in full or in part. In view of the facts, our subscribers must feel the justice and urgency of this request.
THE PUBLISHER.
A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results, is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by L. W. McConnell & Co., Druggists.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham, of Gaars Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicine for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by L. W. McConnell & Co., Druggists.

Do Not Stop Tobacco!
How to Cure Yourself While Using It.
The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Bacco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Bacco-Curo." It will notify you when to stop. We give a written guarantee to cure permanently any case, with three boxes, or refund the money with 10 per cent interest. "Bacco-Curo" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.
Cured by Bacco-Curo and Gained Thirty Pounds.
From hundreds of testimonials, the originals of which are on file and open to inspection, the following is presented:
Clayton, Nevada Co., Ark., Jan. 28, 1896.
Gentlemen: For forty years I used tobacco in all its forms. For twenty-five years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others, "No-To-Bac," "The Tobacco Tonic," Antidote, "Double Chloride of Gold," etc., etc., but none of them did me the least bit of good. Finally however, I purchased a box of your "Bacco-Curo" and it has entirely cured me of the habit in all its forms and I have increased thirty pounds in weight and am relieved of all the numerous aches and pains of body and mind. I have written you a copy of paper upon my changed feelings and condition.
Yours respectfully, P. H. MARRIUS.
