THE LATEST FROM KENTUCK

LOUISVILLE, Nov. 5.—With two whole counties, Leslie and Knott, and 18 precincts missing, Bryan has a plurality of 215 votes in the state, but many of the returns are unofficial and it seems highly probable that the state board will have to decide the result of the two missing counties. Leslie is a Republican county and gave Bradley 716 majority. Knott county is Democratic and gave Hardin (Dem.) 399 majority over Bradley last year. The missing precincts are distributed about equally among Democratic and Republican counties. Three missing precincts in Bellair are strongly Republican; two precincts in Clay are likewise; one in Letcher is Republican; one in Grant is Democratic, as is one in Pendleton and three in Henderson. Chairman Roberts still claims the state for McKinley by 1,600 and Chairman Sommers claims it for Bryan, but gives no figures. He claims to have returns from all the missing precincts. The complexion of the congressional delegation is four Republicans and seven Democrats.

McKinley Carries but One County.
SPOKANE, Wash., Nov. 5.—Excepting Klickitat county, every county in eastern Washington has given a majority for Bryan. Every fusion candidate for the legislature on this side of the Cascades, with one exception, is elected. The exception is Baker of Klickitat.
TACOMA, Wash., Nov. 5.—The latest returns, practically complete, indicate beyond a possible doubt, the success of the Bryan electors, but the success of Rogers (Dem.) for governor by 3,885 majority over Sullivan (Rep.) and a Democratic congressional delegation. The figures so far counted are as follows: McKinley, 24,409; Bryan, 29,646; congress, Doolittle (Rep.), 22,033; Hyde (Rep.), 21,702; Lewis (fusion), 29,868; Jones (fusion), 29,149; governor, Sullivan (Rep.), 24,109; Rogers, 28,097.

Alleged Plot to Steal Ballot Boxes.
WICHITA, Kan., Nov. 5.—The following dispatch, signed by John W. Breidenthal, reached Wichita late last night: "Place guard over county clerk's office to prevent the stealing of returns. We have elected our entire ticket. A plan to rob us of our victory has been discovered. Prevent the steal in your county at all hazards. Full particulars by letter."

Indiana For McKinley.
INDIANAPOLIS, Nov. 5.—Seventy-four counties out of 92 in Indiana show a plurality in the state for McKinley of 20,252. The remaining counties will not materially change this result, although the pluralities may bring it down to 19,000 or 18,000. Nine Republican congressmen are elected and it is probable that Landis (Rep.) in the Ninth is elected over Cheadle (fusion free silver).

Michigan Shows Republican Gains.
DETROIT, Nov. 5.—Later returns from the state continue to add to the Republican plurality. With nearly complete returns Pingree's plurality is estimated to about 70,000 and McKinley some 15,000 less. There has been no change in the congressional delegation, which is 12 Republicans and 2 fusionists.

Minnesota For McKinley.
MINNEAPOLIS, Nov. 5.—Minnesota practically complete, with 34 counties complete and the remainder of the 81 estimated closely gives McKinley 48,812 plurality and Clough for governor, 10,115.

New Mexico.
SANTA FE, N. M., Nov. 5.—H. B. Ferguson (Dem.) is elected delegate.

FOR THANKSGIVING.
President Cleveland Calls on the People to Return Thanks Nov. 26.

WASHINGTON, Nov. 5.—The president yesterday issued the following Thanksgiving proclamation:
The people of the United States should never be unmindful of the gratitude they owe the God of nations for His watchful care which has shielded them from disaster and pointed out to them the way of peace and happiness. Nor should they ever refuse to acknowledge with contrite hearts their proneness to turn away from God's teachings and to follow with sinful pride after their own devices. To the end that these thoughts may be quickened, it is fitting that on a day especially appointed we should join together in approaching the throne of grace with praise and supplication.

Therefore, I, Grover Cleveland, president of the United States, do hereby designate and set apart Thursday, the 26th day of the present month of November to be kept and observed as a day of thanksgiving and prayer throughout our land. On that day let all our people forego their usual work and occupation and, assembled in their accustomed places of worship, let them with one accord render thanks to the Ruler of the universe for our preservation as a nation and its deliverance from every threatened danger; for the peace that has dwelt within our boundaries; for our defense against disease and pestilence during the year that has passed; for the plentiful mercies that have followed the labors of our husbandmen, and for all the other blessings that have been vouchsafed to us.

And let us, through the mediation of Him who has taught us how to pray, implore the forgiveness of our sins and a continuation of heavenly favor. Let us not forget on this day of thanksgiving the poor and needy, and by deeds of charity let our offerings of praise be made more acceptable in the sight of the Lord.

Witness my hand and the seal of the United States, which I have caused to be hereunto affixed.
"Done at the city of Washington, this 4th day of November, in the year of our Lord, one thousand, eight hundred and ninety-six, and of the independence of the United States of America, the one hundred and twenty-first.
GROVER CLEVELAND.

Washington, Nov. 5.—A postoffice has been established at Orness, Brookings county, S. D., with Jacob E. Johnson as postmaster. E. G. Sisty has been appointed postmaster at Mullen, Hooker county, Neb.

NORTH COLEMAN.

Miss Irwin's school is going on nicely. A road bridge has just been built near Robt. Moore's.

There was no school in district 74 on account of the storm. Mrs. W. H. Epperly visited Mrs. Will Rider one day last week.

Uncle Jimmie Kelley was out riding with a lady, last Tuesday. Mrs. Arthur Church visited her mother, Mrs. M. L. Brown, Tuesday.

The snow which fell October 29th was one foot deep on the level. Husking corn was the chief occupation of the farmers before the storm.

The mail at Osborn was delayed and have not received THE TRIBUNE yet. Last Friday, I. B. Stryker contracted with H. Church for some standing trees for fuel.

Rev. John Coleman of McCook is to preach at the Coleman school house, Sunday, Nov. 6. J. Kelley expects to have 500 or 600 bushels of corn. He is one of the favored farmers this year.

H. Church raised the best crop of potatoes that he has raised for several years. He had 30 bushels. I. B. Stryker, assisted by Joe Saunders and Robt. Johnson, was building a sod stable, Tuesday a week.

Farmers are rejoicing over the genuine soaking which the soil will reap from the bountiful crop of snow. We are in the vicinity of Spring creek and hear nothing of hog cholera being there as was mentioned in THE TRIBUNE.

The leaves have fallen from the trees. This fact and the snow together gave the country the appearance of winter in earnest. Joe Saunders has his new sod house done, except plastering. They say that it is as good a dwelling of the kind as there is in the place.

H. K. Bixler on October 21st took 14 dozen eggs to McCook which brought \$2.40. The same day Robt. Traphagan took 25 bushels of corn to H. Church and received \$3.00.

The wolves have recently killed several much valued cats. Robt. Johnson has equipped himself and swears vengeance on every wolf that comes within gun shot of his premises.

The school at Spring creek is noted for its advanced pupils. Prof. Beach has been the instructor so long and he is so thorough that the pupils have most of the advantages of a city school.

It has kept some busy scrambling around to make stock comfortable since the young winter. It has seemed to us like Thanksgiving or holiday times, though the turkey was not in it with the McKinley rooster.

Now that campaign talk is done, it is hoped that the worthy gentlemen who have given so much light on politics in this locality and have all, so far as we know, been duly appreciated, will not forsake us now, but will come out and favor us occasionally with addresses on other subjects.

PROSPECT PARK.
The great day is past. Clifford Dunham spent a few hours at home Sunday.

Essie and Edna Dunham visited with Mrs. J. H. Wade Sunday. Election Day in this precinct was attended with unusual warmth.

W. T. and Chas. Coleman of McCook, were on our streets Wednesday. O. L. Thompson went to McCook Wednesday to hear the election news.

L. C. Caldwell and wife viewed the sights at the county capitol Wednesday. Grandma Hartman, who has been visiting her children here and in Dundly county, for several months, left this week for her home in Iowa.

Owing to the condition of the roads, there were no services at the school house last Sunday, but there will be Sunday school next Sunday at 10 a. m. Everybody is invited.

Napoleon's Value of Victory.
Napoleon knew well the value of a victory. After Austerlitz the world seemed his. Fame invited, fortune favored, every thing stimulated his aspiring ambition. With growing power he gathered the fruits of victory. And so has it ever been. Success succeeds. A notable illustration of this truth is furnished by the great victories won at the World's Fair in '93 and the California Midwinter Fair in '94 by Dr. Price's Cream Baking Powder. Ever increasing sales and popularity have been the result. The people have promptly ratified the official verdicts that declared Dr. Price's, for leavening power, keeping qualities, purity and general excellence the "foremost baking powder in all the world". Quite as quickly as the great Emperor do they know the value of a victory that means world wide supremacy.

To Subscribers of The Tribune.
Readers of THE TRIBUNE will please remember that cash is an essential in the publication of a paper. The publisher has been very lenient during the past few years, on account of crop failures and hard times, and as a consequence many hundreds of dollars are due on subscriptions. We are now compelled to request all who can to call and make settlement in full or in part. In view of the facts, our subscribers must feel the justice and urgency of this request. THE PUBLISHER.

Do Not Stop Tobacco! How to Cure Yourself While Using It.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Bacco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Bacco-Curo." It will notify you when to stop. We give a written guarantee to cure permanently any case, with three boxes, or refund the money with a per cent. interest. "Bacco-Curo" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke. Cured by Bacco-Curo and Gained Thirty Pounds.

From hundreds of testimonials, the originals of which are on file and open to inspection, the following is presented: Clayton, Nevada Co., Ark., Jan. 28. Eureka Chemical & Mfg. Co., La Crosse, Wis. Gentlemen: For forty years I used tobacco in all its forms. For twenty-five years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others, "Do-Not-Stop," "The Indian Tobacco Antidote," "Double Life-Ride of God," etc., etc., but none of them did me the least bit of good. Finally however, I purchased a box of your "Bacco-Curo" and it has entirely cured me of all its forms, and I have increased thirty pounds in weight and am relieved of all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feelings and my recovery. Yours respectfully, P. H. MARBURY, Pastor C. P. Church, Clayton, Ark.
