To Subscribers of The Tribune.

Readers of THE TRIBUNE will please remember that cash is an essential in the publication of a paper. The publisher has been very lenient during the past few years, on account of crop failures and hard times, and as a consequence many hundreds of dollars are due on subscriptions. We are now compelled to request all who can to call and make settlement in full or in part. In view of the facts, our subscribers must feel the justice and urgency of this request.
