THE NEW WAY.

WOMEN used to think "female diseases" could only be treated after "local examinations" by physicians. Dread of such treatment kept thousands of modest women silent about their suffering. The introduction of Wine of Cardui has now demonstrated that nine-tenths of all the cases of menstrual disorders do not require a physician's attention at all. The simple, pure

McELREE'S Wine of Cardui

taken in the privacy of a woman's own home insures quick relief and speedy cure. Women need not hesitate now. Wine of Cardui requires no humiliating examinations for its adoption. It cures any disease that comes under the head of "female troubles"—disordered menses, falling of the womb, "whites," change of life. It makes women beautiful by making them well. It keeps them young by keeping them healthy. \$1.00 at the drug store.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

W. L. ADDISON, M. D., Cary, Miss., says: "I use Wine of Cardui extensively in my practice and find it most excellent preparation for female troubles."

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fails every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate.

The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE TRIBUNE and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer. April 2-1 yr.

MOTHER! There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it.

Mother's Friend

so assists nature in the change taking place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but

MOTHER'S FRIEND

"My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.'" It is a blessing to any one expecting to become a MOTHER," says a customer. HENDERSON DALE, Carmi, Illinois.
