Yardmaster Frank Cleary was run over by the tender of an engine in the Akron yard, Wednesday, and instantly killed. He attempted to uncouple the engine from a car while they were moving and, slipping, fell under the wheels of the tender. An arm, a leg and part of his body were practically cut off. He leaves a wife, but no children. He carried insurance in the B. of R. T., Burlington Relief, Maccabees and A. O. U. W. He has been in the company's service since 1889, and for awhile was employed at this place. The deceased is well known over the Western division and his sad death will be generally regretted. W. C. Pope and C. H. McCarl of McCook lodge, B. of R. T., were the delegates that went up to Akron, Wednesday night, on No. 3, to represent the order in the wife's hour of bereavement.

We learn with regret that Mrs. B. C. Monpleasure, formerly of our city but late of Oberlin, Kansas, has been taken to Denver, a sufferer with quick consumption, the result of an attack of pneumonia.

It is estimated that there are 20,000 car-loads of corn along the line of the Burlington in cribs owned by Chicago speculators. During the first fifteen days of January the company loaded 43,000 cars, or 5,000 more than in the same time last year.

The Burlington stationery department in this city is sending out some 400 caps to the various station agents and station baggagemen along the line. A large number of the farmers of this county are regular readers of The Iowa Homestead, and those who are not ought to be. A good farm paper is now about as essential to successful farming as are good tools to farm with. There is no paper for the farmers of this section that equals The Homestead, for it is thoroughly well edited and thoroughly reliable and practical in all its departments. Its Special Farmers' Institute editions, which are published monthly and are included in the subscription price of \$1, are alone worth the dollar many times over. They discuss four or five timely and practical questions each month, and all who contribute to the discussions are practical, working farmers. Now is the time when farmers make up their lists of papers for the year, and The Homestead should find a place in every farm home. Send subscriptions, or for free sample copies when desired, addressing the Homestead Co., Des Moines, Iowa.
