COD BLESS YOU ALWAYS.

Swanson Rheumatic Cure Co., Chleago. Dear Friends:—Yes, yes, I shall always think of you as my far away friends, and thank God for directing your advertisement to this place. Yes! oh yes! I will gladly tell the whole world what your "5 DROPS" has done for me. It found me racked with pain from head to foot day and night and I had dreadful sounds in my head. I could not eat, sleep nor rest. The doctors gave me medicine and it would stop the pain for a short time but it would come again. I could not have suffered much longer. At times I cared not what became of me, and my kidneys were in a very bad shape. Every doctor I went to told me I had so many different diseases in my body that it was difficult to tell where to commence. I could hardly get across the room. Now I can walk one and a half miles and back, and God bless you always. Oh, how gladly I would take the agency if it were possible, but I am poor and have no way of traveling around if I thoul! take it. Gratefully yours, Mes. L. Wallace, McGregor, Iowa, January 8, 1893.

I was taken in August with Sciatic Neuralgia, and was treated by two of the best physicians of our county, but they did not help me any. I cannot praise "5 DROPS" enough for what it has done for me. I am very, very grateful for what you have done for me. Yours truly, Sarah E. Wilson, Spradling, Kentucky, January 2, 1898.

AN AFFLICTED MOTHER.

From the Times, Paw Paw, Ill. A resident of this town who has lost two children during the past six years, by violent deaths has been utterly prostrated by the shock, and seriously sick as a result of it. One child (aged 9) was killed by a cyclone in '90 while at school; another, three years later was run over by a Burlington R.-R. train. That griefs and misfortunes may so prey on the mind as to lead to serious physical disorders has been well demonstrated in this case. As a result of them, her health was shattered and she has been a constant sufferer since 1890. Her principal trouble has been neuralgia of the stomach which was very painful, and exhibited all the symptoms of ordinary neuralgia, nervousness and indigestion. Physicians did her no good whatever. She was discouraged and abandoned all hope of getting well. Finally, however, a certain well-known pill was recommended (Dr. Williams' Pink Pills for Pale People.)

She supplied herself with a quantity of

them and had not taken them two weeks

in her condition. She continued taking the pills until seven or eight boxes had been consumed and she considered herself entirely cured. She can now eat all kinds of food, which is something she has not been able to do for years. She is not troubled in the least with nervousness as she was during the time of her stomach troub'es. She is now well and all because of Dr.

Williams' Pink Pills for Pale People a complete cure has been made. If any one would like to hear more of the details of her suffering and relief gained by the use of Dr. Williams' Pink Pills for Pale People they may be obtained probably, by writing the lady direct. She is one of our well-known residents, Mrs. Ellen A. Oderkirk, Paw Paw, III.
