Castoria.
"Castoria is an excellent medicine for children. Mothers have repeatedly used it with the most successful results."
D. G. C. ORSONO,
Lowell, Mass.
"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quick nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

THE MONARCH CHAINLESS.

A Bicycle Gearing Absolutely New, Novel, and Practical.

In their indiscriminate haste to announce the making of chainless wheels, some manufacturers have tumbled over each other in the endeavor to be in front. To be in front is a spasm, to "keep in front" is sustained energy. To utter a truism is one thing, to live up to it is another.
The spirit of the aphorism of the Monarch Cycle Manufacturing Company, "Hide a Monarch and Keep in Front," is well illustrated in its latest product, The Monarch Chainless. Alive to the times, the company will produce a chainless bicycle which has been proven by repeated tests to be superior, in its class, in every particular.
Two surfaces that will roll on each other will transmit motion from one to the other. If the surfaces are comparatively smooth, the motion is transmitted by friction. But, when the surfaces are provided with projections, the motion is transmitted by direct pressure, and it is irregular unless the acting surfaces of the projections are carefully and exactly shaped to produce an even motion. It is the difficulty which is experienced to produce these perfect projections, when bevel gears are used, which leads the experienced mechanic away from them. Long experience in Sewing Machine manufacture has taught the Monarch Company that whatever transmission was used, bevel gears were not to be considered if easy running was to be thought of. The result has been a driving gear which is excellent in its easy running qualities.
The mechanism is simple. The crank axle and hub gears somewhat resemble the familiar sprocket wheels, the noticeable difference being the teeth which are closer together and of shape in cross section instead of four sided. The shaft connecting the two is provided at each end with a pinion having roller pin teeth which run in and out of the wide angle openings between the gear teeth. Each set of gears is enclosed

It is not often that a physician recommends a patent medicine; when he does, you may know that is a good one. Dr. J. P. Cleveland, Glasgow, Va., writes: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in my practice and it has proven to be an excellent remedy, where a thorough course of medicine has failed with me. I recommend it to my patients every time for colic and diarrhoea." Many other physicians recommend and use this remedy, because it always cures and cures quickly. ONE OF TWO WAYS.
The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.
CHIEF CAUSE.
Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the work, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At all druggists fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE TRIBUNE and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer. April 2-1-97.
