What is

CASTORIA

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishnes. Castoria prevents vomiting Sour Curd. cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an excellent in all " for chilfrem. Mothers have repeated, and nar of its good effect upon their children." D., G. C. Overoon,

Lowell, Mass. "v storia is the best remely for children of which I am acquainted. The jettle duy is not for distant when mothers will could ler the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending

them to premature graves." DR. J. F. KINCHELOE,

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me.'

H. A. ARCHER, M. D., 111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

A good farm paper is just as essential on the farm as a good plow, and there are plows and plows, so there are farm papers and farm papers. The best and most practical farm paper we know of for the western farmer is The Iowa Homestead, and we would rejoice to see it in the home of every farmer in this county. It is a paper that is made for every day use, being but little given to mere theory, and its Special Farmers' Institute editions, issued monthly, are the most practical publications we have ever seen. The next Special number will accompany next week's regular issue, and in it the farmers themselves will discuss the landlord and tenant question, the state institutions for higher education, and other topics of equal interest and importance. The Homestead is only \$t a year, including the Special Farmers' In- mends a patent medicine; when he does, selves, but printed instructions accomfor free sample copies to the Homestead J P.
