THE TIME OF RENEWAL.

ALL nature is renewed in the springtime. The sky takes on a fresher color, the trees don their Easter garments, everything seems glad and happy. It seems a pity that at such a beautiful season so disagreeable a malady as the so-called "spring fever" should unfit a great many people to enjoy the unaccustomed sunshine and freshness that prevails. What is spring fever? It is that sluggishness and irritability which everyone takes a spring tonic for. "Bad blood" some people call it. A great deal of "blood medicine" is sold in the spring of the year. The blood, the vigor, the health, must be renewed with the trees and flowers and grass. The principal difficulty is, which of the numerous spring tonics is the best? Which will cure permanently and remove quickly all the disagreeable symptoms? Read what Mrs. Adlin Adams, Crafton, Ky., says of Per-na: "I was about to give up all hopes, when I concluded to take Per-na. I believe it is the best medicine in the world. I can not speak too highly of it."

A book containing several hundred letters similar to the one from which this is an extract, will be sent free to any address by the Per-na Drug Manufacturing Company, Columbus, Ohio.
