I was at last persuaded to try a bottle of Chamberlain's Cough Remedy, which promptly relieved the cough. The second bottle effected a complete cure." The 25 and 50 cent bottles are for sale by L. W. **Trans-Mississippi Exposition.**

The county fair management is making strenuous effort to have a fine county exhibit at the exposition. I want one half bushel of potatoes, turnips, onions, sugar beets, in fact every product of the county raised last year. I want the best that can be found. Deliver them with your name to J. A. Wilcox at McCook, or to me at Indianola, any time between now and May 20th. I would especially like to have some of the best products from the irrigated district near McCook, and I will take especial pains to show the effect of the irrigation.

Pres. Red Willow Co. Ag'l Society.

**THE ST. FRANCIS BRANCH.**

ATWOOD, KAN., May 13.—[Special to THE TRIBUNE.]—The railroad crews are especially patriotic on the Orleans and St. Francis branch. Jack Cook and Pat Neeling have their engines decorated with the stars and stripes. James Burton has 212 with a Cuban flag on one side and Old Glory on the other. The engineers are of the true American type.

Frank Munger has gone to Watertown, N. Y. Mr. Munger is one of the leading business men of Atwood. He will be absent about three weeks. It will be a sad journey, for he took the body of his father, Elijah S. Munger, who died of apoplexy at Atwood, May 5th. The late Mr. Munger was a Mason, and Atwood Lodge No. 164, A. F. & A. M., had charge of the funeral.

A. A. Smith of Atwood would like to size up the shape of the culprit who decorated his store with a Spanish flag. He says he is American way back from the pure stock, and he can whip a squad of garlic-fed Spaniards.

Atwood has added ten new buildings this season, Lebanon, Nebraska, has six.

The Atwood cavalry company has seventy names enrolled, including Archilles, to fight for old glory and Uncle Sam.

Wheat looks splendid; acreage larger than last year. Much corn planted, soil in moist condition. This is an ideal year for farming—prospects the very best. Farmers are putting in their crops with greater care. This will be the record-breaker year for the Orleans and St. Francis branch, especially from Atwood east. The Pearl of the Burlington is strictly in it.

The alfalfa belt is doing itself proud, this year. The many stock extras off this branch, past month, beats anything ever witnessed since the road was built. It is said that 30,000 acres of alfalfa are growing between Orleans and Atwood, and although there has been so much stock shipped the supply is almost unlimited. Alfalfa hay will soon be ready to cut. It is in splendid condition. The Orleans & St. Francis branch is the Pearl of the Burlington.

We learn from reliable authority that eleven families have left St. Francis, and many more are preparing to leave. Mr. Sampson, the best known business man of Cheyenne county, is hunting up a location, and Mr. Smith, ex-register of deeds, and family, went east, Wednesday. These people have weathered all the trying times since 1892, and are looking for greener fields and a better country.

**WHAT A MOTHER SAYS**

OF DR. HARTMAN'S FAMOUS FAMILY REMEDY AND SPRING TONIC.

Mrs. Hannah Land, 1132 East Long street, Columbus, Ohio, is one of the many enthusiastic advocates of Pe-ru-na. She says: "For many years I was subject to nervousness, despondency, and neuralgia, for which doctors and remedies seemed of no use. At last I was persuaded to try Pe-ru-na. I found it to be exactly the remedy I was so long in search of. It relieves the tired, depressed feeling felt in spring-time at once. It never fails to restore to me natural appetite and the best of sleep. It has cured permanently my old neuralgia and despondency, and I wonder why so many people continue to suffer through spring and early summer, when Pe-ru-na is such a prompt and perfect relief. As a family medicine, I believe Pe-ru-na to have no equal." It relieves at once cramps, colic, prostration from heat, the ill effects of sudden checking of the perspiration, and all other bad effects of hot weather. As a remedy for nervous prostration it has no equal, and the thousands of men and women of this generation who "have nerves" find it a priceless remedy.

Every family should have a copy of "Facts and Faces." Finely illustrated. One of the best books of testimonials ever published. Sent free. Address The Pe-ru-na Drug Manufacturing Company, Columbus, Ohio.
