

IMPORTANT SHOE REDUCTION

I am now making my annual clean-up of small sizes in shoes and slippers. Every pair offered at reduced figures is of sterling quality and make. The collection has been divided into four lots:

- Lot No. 1 at only \$0.50 a Pair
- Lot No. 2 at only 1.00 a Pair
- Lot No. 3 at only 1.50 a Pair
- Lot No. 4 at only 2.00 a Pair

All ladies wearing small sizes will find this a most opportune time to secure a pair of good shoes or nice slippers at a very low figure.

The first of the monster freight engines, No. 333, came into Lincoln, Thursday at 4:50, from Plattsmouth where it has been overhauled. Yesterday afternoon a number of people interested in machinery came down to the round-house to view the giant. All the other heavy engines looked puny beside 333, with its huge boiler, raised high in the air, and short stack, which gave it a suggestion of bulldog appearance. She was shoved onto the turn-table and "61," the diminutive house goat engine, crept almost noiselessly up and was coupled on. It was a most incongruous sight. Then the goat gave a wheeze out of its stack, butted against 333, slid its wheels a little, and pushed the monster into the house. Engine 333 started for the Wyoming division at 5:30 this morning. Three more of these large engines are at Plattsmouth having the ash pans they are now fitted with, exchanged for air pans.—Saturday's Lincoln Journal.
