

Hidden Beauty

In Egypt the custom is for Princesses to hide their beauty by covering the lower part of the face with a veil. In America the beauty of many of our women is hidden because of the weakness and sickness peculiar to the sex. If the Egyptian custom prevailed in this country, many sufferers would be glad to cover their premature wrinkles, their sunken cheeks, their unhealthy complexion, from the eyes of the world with the veil of the Orient.

Bradfield's Female Regulator

brings out a woman's true beauty. It makes her strong and well in those organs upon which her whole general health depends. It corrects all menstrual disorders. It stops the drains of menstruation. It restores the womb to its proper place. It removes the causes of headache, backache and nervousness. It takes the poor, debilitated, weak, haggard, fading woman and puts her on her feet again, making her face beautiful by making her body well.

Druggists sell it for \$1 a bottle. Send for our free illustrated book for women. The Bradfield Regulator Co., Atlanta, Ga.

Two Pointed Questions Answered.

What is the use of making a better article than your competitor if you cannot get a better price for it?
Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.
How can you get the public to know your make is the best?
If both articles are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use the better one.
This explains the large sale of Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable novelty put forth with exaggerated claims, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing equal to Chamberlain's Cough Remedy. Discovered by a Woman.
Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnick & Co., of Shelby, N. C. Trial bottles free at McConnell's. Regular size 50c and \$1.00 Every bottle guaranteed.

School Apportionment.
State Superintendent Jackson completed the December semi-annual school apportionment, Saturday. The total to be apportioned among the various counties is \$300,816.13. Last December the amount was \$377,365.97. The rate per scholar has fallen from \$1.06 for last December to 82 cents for the present apportionment. This decrease is due to a decrease in the amount of money to be apportioned and an increase of 11,140 in the number of persons of school age reported. Last December the reports gave 354,929 persons between the ages of five and twenty-one years. The number is now 366,069.
The fund apportioned is derived from the following sources: State tax, \$73,057.92; interest on United States bonds, \$300; interest on state bonds, \$7,230.69; interest on county bonds, \$65,002.98; interest on school district bonds, \$914.54; interest on school lands sold, \$100,233.65; interest on school lands leased, \$43,697.24; interest on saline lands sold and leased, \$5,735; transferred from permanent school fund to correct error treasurer Cheyenne county, \$181.44; interest on state warrants, \$1,358.17; peddlers' license, \$105; total amount, \$300,816.13.
Red Willow county has 3,412 persons of school age, and her share of the apportionment is \$2,803.81.
