## A Wife Says:

"We have four children. With the first three I suffered almost unbearable pains from 12 to 14 hours, and had to be placed under the influence of chloroform. I used three bottles of *Mother's Friend* before our last child came, which is a strong, fat and healthy boy, doing my housework up to within two hours of birth, and suffered but a few hard pains. This liniment is the grandest remedy ever made."

**Mother's Friend**

will do for every woman what it did for the Minnesota mother who writes the above letter. Not to use it during pregnancy is a mistake to be paid for in pain and suffering. *Mother's Friend* equips the patient with a strong body and clear intellect, which in turn are imparted to the child. It relaxes the muscles and allows them to expand. It relieves morning sickness and nervousness. It puts all the organs concerned in perfect condition for the final hour, so that the actual labor is short and practically painless. Danger of rising or hard breasts is altogether avoided, and recovery is merely a matter of a few days.

Druggists sell *Mother's Friend* for \$1 a bottle. The Bradford Regulator Co., Atlanta, Ga. Send for our free illustrated book.

## COLEMAN.

Wm. Coleman sold the Orr Early farm, Mouday.

There are thousands of acres of fall wheat in this town, and it is looking fine.

Wm. Coleman sold the Geo. W. Eckerman farm, near Perry, on last Saturday.

In the three weeks past Wm. Coleman has received nearly one hundred letters asking for land here.

A Pennsylvania gentleman wrote to Wm. Coleman requesting him to buy a farm for him and he would move on to it next fall.

Threshing is all done up here now. One farmer had over 7,000 bushels of wheat. His crop will pay for five hundred acres of land.

On Monday, Wm. Coleman received a letter from an Iowa man requesting him to buy a farm here for him and he would move next fall.

S. John has moved to his new home near McCook. He rented two years and made enough to pay for a fine quarter, improved, and now has a good home for his family.

There is Sunday-school at the Coleman school house every Sabbath, winter and summer; and preaching every two weeks regular. Class meeting immediately after preaching. Everybody welcome.

Roads are dry and nice. Fall plowing is in fine shape for seeding and farmers will be sowing wheat lively now. Last year seeding commenced on February 7th and thousands of acres were sown in that month.

A young man rented a farm here in the fall of '97 and sowed a lot of wheat. He got over 1800 bushels for his share. He sold the wheat and bought a fine quarter and paid all cash. He will farm land of his own after this. Say girls; your cake is dough. An Iowa girl has a pre-emption on him already.
