

A HUSBAND SAYS:

"Before my wife began using Mother's Friend she could hardly get around. I do not think she could get along without it now. She has used it for two months and it is a great help to her. She does her housework without trouble."

Mother's Friend

is an external liniment for expectant mothers to use. It gives them strength to attend to their household duties almost to the hour of confinement. It is the one and only preparation that overcomes morning sickness and nervousness. It is the only remedy that relaxes and relieves the strain. It is the only remedy that makes labor short and delivery easy. It is the only remedy that puts the breasts in condition so that swelling or rising is impossible. Don't take medicines internally. They endanger the lives of both mother and child.

DEMAND THE OLD RELIABLE

THE GREATEST DANGER from La Grippe is its resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for la grippe we have yet to learn of a single case having resulted in pneumonia which shows conclusively that this remedy is a certain preventive of that dangerous disease. It will cure la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by L. W. McConnell & Co.

ADDITIONAL RAILROAD NEWS.

The cinder extra broke in two, Monday, six miles this side of Akron, coming down the hill, and a number of cars were somewhat demoralized in coming together.

For several years the Burlington Route has advertised itself the "Third longest railroad in the world" and owning "7,422 miles of track in eleven great states." These figures will have to be revised, for on March 1st its mileage was increased by the absorption of the Keokuk & Western R. R., comprising 261 miles of track in southeastern Iowa and northeastern Missouri.

The railroads have made a rate of one fare for the round trip, plus \$2.00, for the annual meeting of the National Educational Association to be held at Los Angeles next July. The \$2.00 is the association membership fee. The number of people who will take advantage of this rate is likely to be as great as was the case two years ago, when, as the result of a somewhat similar offer on the part of the trans-continental lines, 35,000 Christian Endeavorers swept across the country and over-ran California from end to end.

Despite the fact that the mail trains operated by the Chicago, Burlington & Quincy railroad, between Chicago and Council Bluffs are the fastest in the country, their engineers experience comparatively little difficulty in keeping them on time. One of the two mail trains, No. 7, has been late but once this year. The other, No. 15, is an hour faster than No. 7, but its showing is almost equally good. Four times only, since January 1st, has it failed to make its schedule of 500 miles in ten and a quarter hours.

Comes from Dr. B. Cargile, of Washita, L. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her hands and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved, that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50c. Sold by McConnell, druggist. Guaranteed.

Are you restless at night, and harassed by a bad cough? Use Ballard's Horehound Syrup, it will secure you sound sleep, and effect a prompt and radical cure. Price 25c and 50c at McConnell's.

I congratulate the manufacturers of an honest medicine." For sale by L. W. McConnell & Co.

She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and on taking the first dose was so relieved that she slept all night, and with two bottles, has been absolutely cured. S. S. S. GOES TO THE BOTTOM.

Promptly Reaches the Seat of all Blood Diseases and Cures the Worst Cases.

In every test made S. S. S. easily demonstrates its superiority over other blood remedies. It matters not how obstinate the case, nor what other treatment or remedies have failed. S. S. S. always promptly reaches and cures any disease where the blood is in any way involved. Everyone who has had experience with blood diseases knows that there are no ailments or troubles so obstinate and difficult to cure. Very few remedies claim to cure such real, deep-seated blood diseases as S. S. S. cures, and none can offer such incontrovertible evidence of merit. S. S. S. is not merely a tonic—it is a cure! It goes down to the very seat of all blood diseases, and gets at the foundation of the very worst cases, and roots the poison from the system. It does not, like other remedies, dry up the poison and hide it from view temporarily, only to break forth again more violently than ever; S. S. S. forces out every trace of taint, and rids the system of it forever.

Mrs. T. W. Lee, Montgomery, Ala., writes: "Some years ago I was inoculated with poison by a nurse who infected my babe with blood taint. I was covered with sores and ulcers from head to foot, and in my great extremity I prayed to die. Several prominent physicians treated me, but all to no purpose. The mercury and potash which they gave me seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Swift's Specific. I improved from the start, as the medicine seemed to go direct to the cause of the trouble and force the poison out. Twenty bottles cured me completely." Swift's Specific—

S. S. S. FOR THE BLOOD

—is the only remedy that is guaranteed purely vegetable, and contains no mercury, potash, arsenic, or any other mineral or chemical. It never fails to cure Cancer, Eczema, Scrofula, Rheumatism, Contagious Blood Poison, Tetter, Boils, Carbuncles, Sores, etc.
