

Be Careful

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child. It has with her whether she shall suffer unnecessarily, or whether the ordeal shall be made comparatively easy. She had better do nothing than do something wrong.

MOTHER'S FRIEND

is the one and the only preparation that is safe to use. It is a liniment that penetrates from the outside. External applications are eternally right. Internal medicines are radically wrong. They are more than humbugs—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—relieves morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Gordon, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me and, thank God, I am saved and now a well and healthy woman." Trial bottles free at McConnell's drug store. Regular size 20 cts. and \$1. Guaranteed or price refunded.

Through Tourist Sleepers to Northwest.

The Burlington route has established a twice-a-week tourist car line from Kansas City to Butte, Spokane, Tacoma and Seattle.

Cars leave Kansas City, Lincoln and Grand Island every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bed linen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers.

Cars run through without change of any kind and the berth rate from Lincoln to Tacoma is only \$5.00. To intermediate points it is proportionately low. Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the northwest is rapidly attaining large proportions. This new tourist car line has been established with a view of caring for the Burlington's share of it in the best possible manner.

Berths, tickets and full information can be had on application to any Burlington Route ticket agent or by addressing J. Francis, G.P.A., Omaha—June 26.

MRS. J. A. BRINTON.

PLEASANT RIDGE.

Spring has been whirling about considerably, this week.

Most of the farmers around here are about through sowing spring wheat.

The friends of Dr. Spickelmier in this vicinity were sorry to hear of his death.

Everybody is busy farming and that is about the only thing of importance going on around here.

Any man that will run a horse into a wire fence for spite is lacking in some of the essentials that go to make up a christian.

A Sunday-school was organized at Vailton, Sunday, after preaching services, with Henry Green, superintendent, and Charles Ferris, assistant.

Rev. H. H. Berry will preach at Vailton at half past three o'clock in the afternoon of the last Sunday in April. Two weeks from that date at the same place and hour Rev. J. A. Badcon will preach.

Rev. J. A. Badcon preached at Vailton, Sunday afternoon, to an appreciative audience. His text was from Luke fourth chapter and thirty-fourth verse. He preached a very impressive sermon.

Rev. H. H. Berry assisted in the services. We cannot understand how the towns in any country could enjoy prosperity unless the farmers around them were also prosperous. At any rate, we do not believe the farmers could get along without the towns nor the merchants without the farmers.

The singing at Vailton, Sunday, was nothing to brag on, and we expect that if THE TRIBUNE force had happened along they would have thought that if all the voices there were silenced the world would not lose much of its artistic music, or something to that effect. We hope to improve in the future.

Those horrid fits of depression, melancholy, low spirits, and sudden irritability, that sometimes afflict even good tempered people, is due to the blood being permeated with black bile. Herbine will purify the blood, restore health and cheerfulness. Price 50c. at McConnell's.

VAILTON.

What seeling will end, this week. This will be a little late, but the ground is in good condition.

Rev. J. A. Badcon was greeted by a fall house, Sunday afternoon. We learn that he, in connection with Rev. H. H. Berry, will speak when convenient.

The fire that swept down from the north, Monday, was pretty destructive, but fortunately struck no buildings. The damage was confined to fence posts, range feed, etc.

There is some prospect of great improvement in this section, coming season also some additional settlement by families moving onto the few remaining unoccupied tracts.

Neighbor Green will make the Taylor place look as if it had a fortune. Mr. G. will also farm his own and the Williams ranch on the south side in connection with the first-named place.

We are happy to note the organization of a Sunday-school here, which was discontinued by removals, other organizations too close to provide sufficient numbers to make the work successful, etc.

A Frightful Blunder.

Will often cause a horrible burn, scald, cut or bruise. Bucklen's Arnica Salve, the best in the world, will kill pain and promptly heal it. Cures old sores, old fever sores, ulcers, boils, fcelons, all skin eruptions. Best pile cure on earth. Only 25c a box. Cure guaranteed. Sold by McConnell, druggist.

CANCER IS DEADLY!

Results Fatally in Nine Cases Out of Ten—A Cure Found at Last.

This fearful disease often first appears as a mere scratch, a pimple or lump in the breast, too small to attract any notice, until, in many cases, the deadly disease is fully developed.

Cancer can not be cured by a surgical operation, because the disease is a virulent poison in the blood, circulating throughout the system, and although the sore or ulcer—known as the Cancer—may be cut away, the poison remains in the blood, and promptly breaks out afresh, with renewed violence.

The wonderful success of S. S. S. in curing obstinate, deep-seated blood diseases which were considered incurable, induced a few despairing sufferers to try it for Cancer, after exhausting the skill of the physicians without a cure. Much to their delight S. S. S. proved equal to the disease and promptly effected a cure. The glad news spread rapidly, and it was soon demonstrated beyond doubt that a cure had at last been found for deadly Cancer. Evidence has accumulated which is incontrovertible, of which the following is a specimen:

"Cancer is hereditary in our family, my father, a sister and an aunt having died from this dreadful disease. My feelings may be imagined when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way as to cause great alarm. The disease seemed beyond the skill of the doctors, for their treatment did no good whatever, the Cancer growing worse all the while. Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family, for I know how deadly Cancer is, especially when inherited. I was advised to try Swift's Specific (S. S. S.), which, from the first day, forced out the poison. I continued its use until I had taken eighteen bottles, when I was cured sound and well, and have had no symptoms of the dreadful affliction, though many years have elapsed. S. S. S. is the only cure for Cancer.—Mrs. S. M. Idol, Winston, N. C.
