Every Month

there are thousands of women who nearly suffer death from irregular menses. Sometimes the "period" comes too often - sometimes not often enough-sometimes the flow is too scant, and again it is too profuse. Each symptom shows that Nature needs help, and that there is trouble in the organs concerned. Be careful when in any of the above conditions. Don't take any and every nostrum advertised to cure female troubles.

BRADFIELD'S

is the one safe and sure medicine for irregular or painful monstruction. It cures all the ailments that are caused by irregularity, such as leucor-rhea, falling of the womb, nervousness; pains in the head, back, breasts, shoulders, sides, hips and limbs. By regulating the menses so that they occur every twenty-eighth day, all those aches disappear together. Just before your time comes, get a bottle and see how much good it will do you. Druggists sell it at \$1.
