

IVORY SOAP PASTE.

In fifteen minutes, with only a cake of Ivory Soap and water, you can make a better cleansing paste than you can buy.

Ivory Soap Paste will take spots from clothing; and will clean carpets, rugs, kid gloves, slippers, patent, russet leather and canvas shoes, leather belts, painted wood-work and furniture. The special value of Ivory Soap in this form arises from the fact that it can be used with a damp sponge or cloth to cleanse many articles that cannot be washed because they will not stand the free application of water.

DIRECTIONS FOR MAKING.—To one pint of boiling water add one and one-half ounces (one-quarter of the small size cake) of Ivory Soap cut into shavings, boil five minutes after the soap is thoroughly dissolved. Remove from the fire and cool in convenient dishes (not tin). It will keep well in an air-tight glass jar. COPYRIGHT 1898 BY THE PROCTER & GAMBLE CO., CINCINNATI

LADIES EVERYWHERE

Are Praising Pe-ru-na as a Panacea for all Their Ills.

Miss Anna Carston, Clayton, Ill., says: "Your medicine did me so much good. I believe I should have been dead by this time had I not used it. I am feeling so well now, I have not taken any medicine for four or five months. If I am ever troubled with anything of the kind again I shall take nothing but Pe-ru-na, and I can cheerfully recommend it to my friends."

A vast multitude of women have found Pe-ru-na an indispensable remedy. It meets all their irregularities, critical periods, and peculiar weakness. It does this because it is a specific for pelvic catarrh.

Miss Sadie Martinot of New York City, the prominent young actress, writes to Dr. Hartman in regard to Pe-ru-na, as follows: "It gives me great pleasure to recommend Pe-ru-na to members of my profession. I have found it most helpful. I consider Pe-ru-na of especial benefit to women and particularly recommended it to them. My dressing table is never without it."

Everywhere the people, especially the women, are praising Pe-ru-na as a remedy for all forms of catarrhal difficulties. Send for free book entitled "Health and Beauty," written especially for women. Address Dr. Hartman, Columbus, O.

[OFFICIAL—BY AUTHORITY.] Commissioners' Proceedings.

McCook, Neb., May 3, 1899. Board of county commissioners met pursuant to adjournment. Present, James A. Robinson, Henry Crabtree and Stephen Bolles, commissioners; W. R. Starr, county attorney and R. A. Green, county clerk. Minutes of previous meeting read and approved.

Moved by Crabtree that all the bids for finishing rooms, entrances thereto and vaults therein in building located on lots 7 to 12, block 1, original McCook, be rejected for the reason that no estimates have been made for that purpose by the board of county commissioners and that the board has no authority of law to let any contract without the estimate provided by law. Motion carried.

On motion the county clerk was instructed to advertise for bids for the following work to be done in the county court-house in McCook: Finishing the commissioners' room, the county clerk's room and the sheriff's office; the south stair-way to the basement and to the second floor; finishing and plastering the hall-ways, including the west side of the north and south partition on the first floor, and to put in a rough floor over the rooms and hall-ways therein mentioned. Also to include finishing the vault for the county clerk's room, and putting in a partition wall of brick, eight inches thick, on the east end of the south stair room in the basement. The work to be done according to the original plans and specifications of M. Leach, architect of the court-house, and the specifications and details found in the office of the county clerk.

The following official bond was examined and on motion approved: A. V. Olmstead, road overseer, district No. 14.

It appearing to the board from the petition of C. A. Bede and others, and upon examination the board finds that the public good requires it, on motion the following road is established: Commencing at southwest corner of section 17, town 4, range 26, running west on section line to the southwest corner of section 18, town 4, range 26, and terminating thereat, and clerk directed to notify owners of highways to open said road, and also to notify owners of land along said road to file claims for damages caused by the location of said road, on or before noon of the 15th day of July, 1899, or no further reference will be made thereat.

The following claims were audited and allowed, and on motion clerk was instructed to draw warrants on county general fund, levy of 1898, in payment thereof, as follows:

RIDE A MONARCH AND KEEP IN FRONT

RAW AS BEEF FROM ECZEMA!

No Torture Equal to the Itching and Burning of This Fearful Disease.

Eczema—which is more than skin-deep, and can not be reached by local applications of ointments, salves, etc., applied to the surface. The disease itself, the real cause of the trouble, is in the blood, although all suffering is produced through the skin; the only way to reach the disease, therefore, is through the blood.

Mr. Phil T. Jones, of Mixersville, Ind., writes: "I had Eczema thirty years, and after a great deal of treatment my leg was so raw and sore that it gave me constant pain. It finally broke into a running sore, and began to spread and grow worse. For the past five or six years I have suffered untold agony and had given up all hope of ever being free from the disease, as I have been treated by some of the best physicians and have taken many blood medicines, all in vain. With little faith left I began to take S. S. S., and it apparently made the Eczema worse, but I knew that this was the way the remedy got rid of the poison. Continuing S. S. S., the sore healed up entirely, the skin became clear and smooth, and I was cured perfectly."

Eczema is an obstinate disease and can not be cured by a remedy which is only a tonic. Swift's Specific—

S. S. S. FOR THE BLOOD—is superior to other blood remedies because it cures diseases which they can not reach. It goes to the bottom—to the cause of the disease—and will cure the worst case of Eczema, no matter what other treatment has failed. It is the only blood remedy guaranteed to be free from potash, mercury or any other mineral, and never fails to cure Eczema, Scrofula, Contagious Blood Poison, Cancer, Tetters, Rheumatism, Open Sores, Ulcers, Boils, etc. Insist upon S. S. S.; nothing can take its place.

Books on these diseases will be mailed free to any address by Swift Specific Company, Atlanta, Georgia.
