Fine Figure

Many women lose their girlish forms after they become mothers. This is due to neglect. The figure can be preserved beyond question if the expectant mother will constantly use

Mother's Friend

during the whole period of pregnancy. The earlier its use is begun, the more perfectly will the shape be preserved. **Mother's Friend** not only softens and relaxes the muscles during the whole period of pregnancy; shortens labor and makes it nearly painless; builds up the patient's constitutional strength, so that she emerges from the ordeal without danger. The little one, too, shows the effects of **Mother's Friend** by its robustness and vigor.

Sold at drug stores for \$1 a bottle.

THE BRADFIELD REGULATOR CO.
ATLANTA, GA.

Through Tourist Sleepers to Northwest.

The Burlington Route has established a twice-a-week tourist car line from Kansas City to Butte, Spokane, Tacoma and Seattle.

Cars leave Kansas City, Lincoln and Grand Island every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bed linen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers.

Cars run through without change of any kind and the berth rate from Lincoln to Tacoma is only \$5.00. To intermediate points it is proportionately low. Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the northwest is rapidly attaining large proportions. This new tourist car line has been established with a view of caring for the Burlington's share of it in the best possible manner. Berths, tickets and full information can be had on application to any Burlington Route ticket agent or by addressing J. Francis, G.P.A., Omaha.—June 26.

Many old soldiers now feel the effects of the hard service they endured during the war. Mr. Geo. S. Anderson, of Ross-ville, York county, Penn., who saw the hardest kind of service at the front, is now frequently troubled with rheumatism. "I had a severe attack lately," he says, "and procured a bottle of Chamberlain's Pain Balm. It did so much good that I would like to know what you would charge me for one dozen bottles." Mr. Anderson wanted it both for his own use and to supply it to his friends and neighbors, as every family should have a bottle of it in their home, not only for rheumatism, but lame back, sprains, swellings, cuts, bruises and burns, for which it is unequalled. For sale by McConnell, druggist.

Whooping Cough.
I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house.—J. L. Moore, South Burgettstown, Pa. For sale by McConnell.
