Robbed the Grave.
A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately a friend advised trying Electric Bitters; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at McCConnell's

Red Letter Days in the Black Hills.
Hot Springs, Sylvan Lake and Spearfish are three Black Hills summer resorts that are as attractive in their way as any places of their kind in the west. And they are as different as any three places can be.

Hot Springs is a health resort—a good place to get rid of one's rheumatism and to enjoy life while renewing one's youthful vigor.
Sylvan Lake is a pretty nook in the heart of the Hills, an easy-going, cool, dreamy spot, where hot weather is unknown.
Spearfish is a thrifty town of perhaps 1,500 people, not particularly notable except in one respect—the beauty of the railroad ride to it. You should make the trip to realize how fine it is. There is nothing more exhilarating, even in the Rockies.

During July, the Burlington Route will run two cheap excursions to Hot Springs and Custer (Sylvan Lake)—one on the 4th, the other on the 18th. One fare, plus \$2, for the round trip. Tickets good 30 days—long enough to enable you to visit every point of interest in the Black Hills, as well as to receive untold benefit from the crisp air and healing waters of this northern sanitarium.

For tickets call at nearest Burlington ticket office.

A Rose That Thrives in a Cemetery.
The best white rose for cemetery planting is Madame Plantier. It is a variety of rather slender growth, and on this account is sometimes termed a half-climber. But it requires no trellis, being much more graceful when allowed to train itself than when given a support of any kind. It throws up a great number of stalks, on which great quantities of milk-white double flowers are borne in clusters during June and July.—July Ladies' Home Journal.

Our baby has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving him that remedy we have not been troubled. We want to give you this testimonial as an evidence of our gratitude, not that you need it to advertise your meritorious remedy.—G. M. Law, Keokuk, Iowa. For sale by L. W. McConnell & Co., druggists.

A BIG DIFFERENCE
There's a big difference in ways of doing business. Some dealers simply strive to get a customer in their place, sell as much as they can at one sale by misrepresentation and never expect to see that customer again. Our way is to always satisfy a buyer, no matter how small the profit. This method makes permanent patrons, and our trade is largely made up of customers who have been coming back to our shop month after month. Try our way once, and you'll keep coming back the same way, too.

RAW AS BEEF FROM ECZEMA!

No Torture Equal to the Itching and Burning of This Fearful Disease.

Not much attention is often paid to the first symptoms of Eczema, but it is not long before the little redness begins to itch and burn. This is but the beginning, and will lead to suffering and torture almost unendurable. It is a common mistake to regard a roughness and redness of the skin as merely a local irritation; it is but an indication of a humor in the blood—of terrible Eczema—which is more than skin-deep, and can not be reached by local applications of ointments, salves, etc., applied to the surface. The disease itself, the real cause of the trouble, is in the blood, although all suffering is produced through the skin; the only way to reach the disease, therefore, is through the blood.

Mr. Phil T. Jones, of Mixer'sville, Ind., writes: "I had Eczema thirty years, and after a great deal of treatment my leg was so raw and sore that it gave me constant pain. It finally broke into a running sore, and began to spread and grow worse. For the past five or six years I have suffered untold agony and had given up all hope of ever being free from the disease. As I have been treated by some of the best physicians and have taken many blood medicines, all in vain. With little faith left I began to take S. S. S., and it apparently made the Eczema worse, but I knew that this was the way the remedy got rid of the poison. Continuing S. S. S., the sore healed up entirely, the skin became clear and smooth, and I was cured perfectly."

Eczema is an obstinate disease and can not be cured by a remedy which is only a tonic. Swift's Specific—

S. S. S. FOR THE BLOOD
—is superior to other blood remedies because it cures diseases which they can not reach. It goes to the bottom—to the cause of the disease—and will cure the worst case of Eczema, no matter what other treatment has failed. It is the only blood remedy guaranteed to be free from potash, mercury or any other mineral, and never fails to cure Eczema, Scrofula, Contagious Blood Poison, Cancer, Tetters, Rheumatism, Open Sores, Ulcers, Boils, etc. Insist upon S. S. S.; nothing can take its place.
Books on these diseases will be mailed free to any address by Swift Specific Company, Atlanta, Georgia.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. When I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by L. W. McConnell & Co.

What among human ills are more annoying than piles? The afflictions that prevent active exercises are had enough, but one that makes even rest miserable is worse.
