### Exposition All Right.

A number of prominent Nebraska and Iowa gentlemen were appointed a committee to examine the exhibits, amusements, grounds and general features of the Greater America Exposition. These gentlemen in their report declare the Exposition far beyond their expectations in excellence. They commend it as in every way worthy of public patronage from an educational as well as an entertainment standpoint.

They speak very highly of the Machinery hall, of the Manufacturing and Agricultural buildings. They mention the new and novel things not seen before, showing that the beautiful grounds and buildings, the music, the art display, the Indian Congress, etc., are not the only features of this truly magnificent Exposition.

#### Another Excursion to the Black Hills.

Date—Tuesday, August 8th.  
Rate—One fare for the round trip.  
Limit—30 days from date of sale.

The summer resorts of the Black Hills are filled as never before. Hot Springs and Sylvan Lake are crowded with pleasure seekers. The hotels and sanitariums are doing the biggest business in their history, but there is still room for more.

That Hot Springs thermal waters have lost none of their old-time efficacy is proven by the fact that more people have been cured or benefitted this year than at any time in the past.

Remember the date of this low-rate excursion—Tuesday, August 8th. Remember, too, that the Burlington Route runs a through sleeping car to Hot Springs. Get aboard it at Lincoln or anywhere north of there and go through without change or delay of any kind.  
J. Francis, G. P. A., Omaha.

No one knows the unbearable torture, the peculiar and agonizing pain, caused by piles, unless they have suffered from them. Many believe them incurable. This is a mistake. Proper treatment will cure them. Tabler's Buckeye Pile Ointment is an infallible cure. Price, 50 cts. in bottles, tubes 75 cts.

#### MARRIAGE CONTRACTS.

##### Strange Conditions Sometimes Incorporated in Them.

One hears from time to time of strange conditions being attached to the marriages of couples in love, sometimes by themselves and sometimes by other people more or less concerned. An American girl of a somewhat romantic disposition made the conditions herself. Some four or five years ago a young lieutenant in the United States army was attracted to her and proposed. She confessed her warm regard for him and the deep interest which she took in his profession, but declared that she could never unite herself to a soldier who had never known what active service was. A bond was therefore drawn up and signed by the pair, which was to the effect that for the space of seven years they should be considered engaged to each other. During that period neither party had the right to break the engagement nor insist upon marriage, except in the case of the young officer having been on active service during a campaign, when the lady would at the most opportune moment become his wife. If the seven years passed away and the lieutenant had not sniffed powder, the whole compact was to be at an end.

## Be Careful

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child. It lies with her whether she shall suffer unnecessarily, or whether the ordeal shall be made comparatively easy. She had better do nothing than do something wrong.

## MOTHER'S FRIEND

is the one and the only preparation that is safe to use. It is a liniment that penetrates to the outside. External applications are eternally right. Internal medicines are radically wrong. They are more than humbugs—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—relieves morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."
