Ayer's Hair Vigor
What does it do?
It causes the oil glands in the skin to become more active, making the hair soft and glossy, precisely as nature intended.
It cleanses the scalp from dandruff and thus removes one of the great causes of baldness.
It makes a better circulation in the scalp and stops the hair from coming out.

It Prevents and It Cures Baldness

Ayer's Hair Vigor will surely make hair grow on bald heads, provided only there is any life remaining in the hair bulbs.

It restores color to gray or white hair. It does not do this in a moment, as will a hair dye; but in a short time the gray color of age gradually disappears and the darker color of youth takes its place.

Would you like a copy of our book on the Hair and Scalp? It is free.

If you do not obtain all the benefits you expect from the use of the Vigor write the doctor about it.

With the passage of this resolution the board of health has placed itself on record as being against this class of physicians and according to the provisions an applicant for a license must sign an agreement swearing that he will not act as an itinerant physician.

Horse Drags Farmer to Death.
DODGE, Neb., Aug. 5.—Ven Vrbka, a prominent Bohemian farmer who lived three miles southwest of this place, was accidentally killed. He had gone to his harvest field, a mile distant, on horseback, and was either thrown off or his feet became entangled in the harness while dismounting, causing the horse to run and drag him the entire distance home. It was necessary to cut the harness and clothing before he could be extricated. Life was extinct when removed to the residence.

Memorial Day in Nebraska.
LINCOLN, NEB., Aug. 5.—In the report sent to the chaplain-in-chief of the Grand Army of the Republic at Indianapolis by Rev. H. Bross, department chaplain for Nebraska, are figures relating to the observance of Memorial Day in Nebraska. Of the 277 active posts in the state 126 only reported to the chaplain. These reports indicate a wider interest in memorial services. Nearly every one of the posts attended services in a body on Memorial Sunday and so far as known 123 memorial sermons were delivered. The total audience reported was about 5,000.

For a Dam and Reservoir.
WAHOO, Neb., Aug. 5.—The application for a permit to construct a dam and reservoir under the irrigation laws of Nebraska were filed in the county clerk's office in this city. The power behind the scheme is the Fremont Canal and Power company of Dodge county, with J. F. Iainson, secretary. The water will be obtained from Platte river and the reservoir will be located on sections 25, 29, 32, 33, 34, township 17, and section 3, in township 16, all in range 8 east of the sixth principal meridian. Buchanan of this city, some interesting war relics. There are three shells taken from the Spanish ship Don Juan de Austria, one-pound, three-pound and six-pound sizes. When recovered they had been under water six months, but were still in as good condition as the day they were sent to the bottom by Dewey. The Don Juan has been raised and is now a part of the United States navy.

Corn Badly Lodged.
PLAINVIEW, Neb., Aug. 4.—A heavy rain fell here. It was accompanied with a hard wind, which blew almost straight from the north. Corn is badly lodged over and small grain uncut is badly down. Tremendous Rain Storm.
NIORARA, Aug. 4.—A tremendous rain storm, accompanied by a high wind, visited this section. The wind did no damage. The rain came just in the nick of time, as corn, which was looking fine a week ago, was, under the excessive hot, dry winds, beginning to curl, especially in places where the soil is light and sandy. This last rain has changed the outlook very much, and it looks now as though there will be an immense crop.

The Soldiers' Reunion.
LINCOLN, Neb., Aug. 4.—Chairman H. C. Russell of the program committee for the Grand Army reunion has about completed the order of exercises for reunion week. Congressmen Hepburn and Henderson of Iowa and Congressman James B. Belford of Colorado are also expected.

The Coming Soldiers' Reunion.
WYMORE, Neb., Aug. 4.—The various committees are hard at work getting things in readiness for the annual reunion of the Southeastern Nebraska Veterans' association, which will be held at Horseshoe park, in this city, for six days, beginning August 21. The railroads have made a rate of one fare for the round trip and thousands of people are expected. Letters have been received from many parts of Kansas, Missouri and Nebraska, and the writers say they are coming in a body.

Fatal Accident at Shooting.
STROMSBURG, Aug. 4.—Clark Presson, youngest son of Rev. and Mrs. J. H. Presson of this city, shot himself by accident and was instantly killed. He was 22 years old and had always lived with his parents, they moving here from Pawnee City three years ago. Young Clark was assistant book-keeper in the Farmers' and Merchants' bank here for two years, until about a month ago he resigned on account of poor health. There was an old revolver about the house that had not been in working order which he had been repairing and it was this that was the cause of his death.

Capt. Barton Reported Relieved.
WYMORE, Neb., Aug. 4.—Word has been received here to the effect that Captain A. F. Burton of Company B, Fifty-first Iowa volunteers, has been relieved from the command of his company and that he is now in Manila awaiting a dishonorable discharge. The news comes in private letters from members of Company B, which state that Captain Burton was relieved because he showed himself to be a coward. At the time the war broke out he was superintendent of the Wymore schools and two weeks before the schools were to have closed he suddenly disappeared, and when next heard of he had gone to Des Moines, Ia., where he had been made captain of Company B, which is from Villisca, Ia., his old home.

Broken Arm Causes Return.
WYMORE, Aug. 4.—John With, who on the 24th day of last March assaulted Michael Kenin and ran away when it was thought the old man would die from the assault, returned home last week and was arrested, brought to the city and tried before Judge Southwick, who fined him for the assault. The fine was paid and then the father, William With, instituted an action in replevin to recover the hog over which the row began. The young man, a minor, ran away to Salt Lake after committing the assault. A broken arm caused his return home.

THE MCKINLEY COTTAGE.

It Passes Into the Hands of the President for \$14,500.

CANTON, O., Aug. 7.—President McKinley has purchased the famous "McKinley cottage," at the corner of North Market street and Louis avenue. The deal was closed Saturday. The consideration was \$14,500. The papers have passed. He will secure possession of the contract and deed October next. The property was not on the market. It was endeared to President and Mrs. McKinley as their first home, where they began housekeeping, and by tender memories of sorrow there. The lot is 100 feet front on Market street by 244 on Louis avenue.

The front veranda shows the most wear from the historic campaign of 1896, when the noted home was the political Mecca for nearly a million people.

Before leaving Canton for the inauguration President McKinley tried to buy the home made double dear to him. It is not believed that Mrs. Harter would have sold the place to anyone else. It is believed to be the president's intention to spend a part of each summer in Canton. The interior of the house has always been roomy and comfortable. It is thought possible that the president may renovate the house and make improvements.

MORE GOLD CERTIFICATES.

Order Issued for the Printing of Many Twenties.

WASHINGTON, D. C., Aug. 7.—The treasury department has made requisition upon the bureau of engraving and printing for the printing of \$10,000,000 gold certificates in denominations of \$20 each. The treasury now holds a large unissued supply of certificates of the larger denominations. It is the evident intention of the treasury department to be in a position to issue gold certificates freely for gold coin, should the fall movement of currency lead to a demand for the treasury for gold certificates in exchange for gold coin. It is to be noted that while gold coins can be freely had in denominations of fives and tens, the law restricts the issue of gold certificates to denominations of \$20 or multiples thereof. It is a debatable question, therefore, whether gold certificates will adequately meet the demand for money of small denominations.

Double Tragedy in Ohio.
SCRENTOWN, O., Aug. 7.—Ruth Swartz, aged 16, was killed with a razor by her mother, Mrs. Catherine Wise, yesterday. The murderer then went a mile and a half and threw herself into a pool of water in an abandoned stone quarry. Her body was recovered. The coroner's inquest brought out the fact that the young girl had been indiscreet.

He served as first lieutenant of Company G, Thirty-eighth regiment, New York state volunteers, and was honorably discharged on September 20, 1861.

Dewey Bought a Ticket.

When Commodore Dewey left Washington in November, 1897, to take command of the fleet in the Pacific ocean, he did not ride on a pass or a half rate ticket. Being a personal friend of S. B. Hege, General Agent of the Baltimore & Ohio passenger department in Washington, the now famous sea fighter, bought two first-class tickets from Washington to San Francisco via the B. and O., Chicago and North-Western, Union Pacific and Southern Pacific lines. Lieut. Bruhny accompanied the admiral and they departed on November 27. Some time ago, Manager of Passenger Traffic D. B. Martin of the Baltimore and Ohio Railroad, set out to collect the coupons of the ticket and only recently secured all of them. He has had the ticket, containing Dewey's signature, lithographed, and is issuing fac similes as souvenirs.

NO REMEDY EQUALS PERUNA, SO THE WOMEN ALL SAY.
Miss Susan Wymar, teacher in the Richmond school, Chicago, Ill., writes the following letter to Dr. Hartman regarding Peruna. She says: "Only those who have suffered as I have can know what a blessing it is to be able to

find relief in Peruna. This has been my experience. A friend in need is a friend indeed, and every bottle of Peruna I ever bought proved a good friend to me."—Susan Wymar.
Mrs. Margaretta Dauben, 1214 North Superior St., Racine City, Wis., writes: "I feel so well and good and happy now that pen cannot describe it. Peruna is everything to me. I have taken several bottles of Peruna for female complaint. I am in the change of life and it does me good." Peruna has no equal in all of the irregularities and emergencies peculiar to women caused by pevic catarrh.

Remember that cholera morbus, cholera infantum, summer complaint, bilious colic, diarrhoea and dysentery are each and all catarrh of the bowels. Catarrh is the only correct name for these affections. Peruna is an absolute specific for these ailments, which are so common in summer. Dr. Hartman, in a practice of over forty years, never lost a single case of cholera infantum, dysentery, diarrhoea, or cholera morbus, and his only remedy was Peruna. Those desiring further particulars should send for a free copy of "Summer Catarrh." Address Dr. Hartman, Columbus, O.

In "The Progress of the World," the editorial department of the Review of Reviews for August, the questions connected with the Manila censorship and Secretary Alger's resignation are discussed, and also the differences between Secretary Gage and the Civil Service Reform League. Some of the most important events and movements of the time are discussed in it by those who are either closely associated with them or have made a special study of them; and, at the same time, as befits a magazine intended for summer reading, it contains several brilliant articles of an entertaining character on literary, dramatic, artistic and athletic themes.

"DEAR MRS. PINKHAM—For some time I have thought of writing to you to let you know of the great benefit I have received from the use of Lydia E. Pinkham's Vegetable Compound. Soon after the birth of my first child, I commenced to have spells with my spine. Every month I grew worse and at last became so bad that I found I was gradually losing my mind.

"The doctors treated me for female troubles, but I got no better. One doctor told me that I would be insane. I was advised by a friend to give Lydia E. Pinkham's Vegetable Compound a trial, and before I had taken all of the first bottle my neighbors noticed the change in me.

"I have now taken five bottles and cannot find words sufficient to praise it. I advise every woman who is suffering from any female weakness to give it a fair trial. I thank you for your good medicine."—MRS. GERTRUDE M. JOHNSON, JONESBORO, TEXAS.
