### A BIG SHOW COMING.

Ringling Bros.' Famous Circus To Exhibit in this City.

The announcement that Ringling Brothers' circus will exhibit in McCook again, September 18, will be gratifying news to all who have seen this great show or familiarized themselves with its claims to unrivalled fame. Some idea of the size and scope of the exhibition can be gained from the fact that five trains of double length railroad cars are required to transport it from city to city, while the performances are given in three rings, upon two stages, in mid air and upon an immense hippodrome racing track, under an enormous canvas pavilion so vast that all the other circuses in America could be gathered, without crowding, under its colossal dome. The manager is the most complete zoological collection in America, the hippodrome is an actual reproduction of the exciting contests of old Rome, and the arctic performance is so vastly superior to any thing ever before seen in this country as to create a distinct departure in this form of popular entertainment. The acrobats, gymnasts, aerialists, riders and other specialists number 500 of the highest-salgried European and American artists, including the great Fisher family of mid-air evolutionists; the seven D. Comas, world-famous aerialists and acrobats; Joseph LeFleur, the lofty somersault diver; Mile. Turnour, the personification of grace, beauty and cleverness on the swinging trapeze; Alvo, Boise and Pickard, absolute masters of the aerial bars. Mike Rooney, Edward Shupp, Lizzie Rooney, Julia Lowanda, Evana Ryland, Olga Reed, Albert Crandall, and a long list of other great horsemen and horsewomen, together with many other feature-performers now presented for the first time in the United States. Especial attention has been given this season to trained animal displays. Lockhart's elephant comedians compose the most novel dramatic company in the world. These pachyderms actually present plays and farces with an intelligence and clever appreciation of the power of expression by means of pantomime such as no human actor could surpass. Souder's elephant brass band is the most sensational trained animal feature ever seen in America. O'Brien's sixty-one horse power act, the most remarkable instance of trained equine intelligence on record, has created a furore, while the new patriotic introductory spectacle "The Last Days of the Century," is declared by the leading newspapers of the country to be the most gorgeously magnificent display of the kind ever attempted. Circus day will open with a beautiful street display, in which will be exhibited free upon the streets the longest, richest, most resplendent parade ever organized—a display which even the Caesars, in the days of Rome's greatest splendor and spectacular extravagance, could not have equalled.

### Chronic Diarrhoea Cured.

This is to certify that I have had chronic diarrhoea ever since the war. I got so weak I could hardly walk or do anything. One bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me sound and well. J. R. Gibbs, Fincastle, Va.

I had chronic diarrhoea for twelve years. Three bottles of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured me. S. L. Shaver, Fincastle, Va.

Both Mr. Gibbs and Mr. Shaver are prominent farmers and reside near Fincastle, Va. They procured the remedy from Mr. W. E. Casper, a druggist of that place, who is well acquainted with them and will vouch for the truth of their statements. For sale by McConnell & Berry.

### W. C. T. U. COLUMN.

MISS MINNIE FINITY, Press Supt.  
"The Eternal God is thy refuge, and underneath are the everlasting arms."

The last meeting of the W. C. T. U. held at the South McCook church was led by Mrs. E. J. Vivian. An interesting discussion was participated in by each present.

The next "Mother's meeting" will be held at Mrs. T. B. Campbell's, Sept. 8th, 1899. Mrs. Campbell leading, in the absence of our Supt. Mrs. Northrup. All ladies are cordially invited.

The sermon on "Temperance" of last Sunday evening was well executed and very commendable. May we abide by such teachings.

A certain prominent gentleman, who is the general freight agent of a large railroad, is very much opposed to the use of cigarettes, and announces that hereafter he will not employ any young man who has formed the habit of smoking these injurious little articles. He employs many young men and has therefore a fine opportunity of observing the difference between smokers and non-smokers. These are his reasons for deciding to get rid of all cigarette fiends. He says: "Among the 200 in my service, thirty-two are cigarette fiends. Eighty-five per cent of the mistakes occurring in the office are traceable to the thirty-two smokers. They fall behind with their work, and when transferred to other desks, which other men who do not smoke handle easily, they immediately get along just as badly, showing that it is not the amount of work, but the indolence of the performer. The smokers average "two days off" from work per month, while the non-smokers average only one-half day in the same time. The natural conclusion is that the thirty-two young men are holding positions deserved by better men."

The pain of a burn or scald is almost instantly relieved by applying Chamberlain's Pain Balm. It also heals the injured parts more quickly than any other treatment, and without the burn is very severe does not leave a scar. For sale by McConnell & Berry.

To Cure a Cold in One Day.  
Take Laxative Bromo Quinine Tablets. All druggists refund money if it fails to cure. The genuine has L. B. Q. on each tablet.

Tabler's Buckeye Pile Ointment relieves the intense itching. It soothes, heals and cures chronic cases where surgeons fail. It is no experiment; its sales increase through its cures. Every bottle guaranteed. Price, 50 cts. in bottles, tubes 75 cts. at McConnell & Berry's.
