Festival of Mountain and Plain.
Denver, September 25-30. An exposition, a street fair, a horse show, the return from Manila of Colorado's volunteers, parades beyond number, a masquerade ball, and a grand state ball.

This is a brief outline of the programme which the citizens of Denver have arranged for the amusement and entertainment of visitors during the week beginning September 25.

It will be Denver's fifth Festival of Mountain and Plain and it will be as far ahead of last year's celebration as it was ahead of that of 1897.

Appreciating the wide-spread interest in this unique celebration, the Burlington offers reduced rates to Denver from a wider territory than in the past. The round trip rate from McCook will be \$8. Tickets will be on sale September 24 to 28 and will be good to return until October 2d. J. FRANCIS, General Passenger Agent, Omaha, Neb.

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who would be attractive must keep her health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric Bitters is the best medicine in the world to regulate the stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvety skin, rich complexion. It makes a good-looking, charming woman of a run-down invalid. Only 50 cts. at McConnell & Berry's.

INDIANOLA.

Miss Adelaide Streff is in McCook, with the family of C. F. Lehn.

The county fair will open in this place, next Tuesday, and you are invited.

Miss Welborn was in the county seat, last Saturday, on county school business.

Miss Ora Smith was the guest of Deputy Sheriff Smith's family in the county seat, Saturday last.

Charles Colling went down to Lincoln, Monday, to undergo an operation for appendicitis. Dr. J. E. Hathorn of Bartley accompanied him.

W. O. Bond—whom Jasper loves like a brother—and G. H. Short were political pilgrims to the valley's finest, Wednesday night, returning home safe and sound, strange as it may seem, Thursday morning on 12.

Commissioner Crabtree and son Bert, lately returned from the Philippines, were in McCook, Tuesday, consulting a physician concerning Bert's condition, which has not been satisfactory for the past three months. They were advised to go to Omaha to seek relief, and it is probable that an operation may be necessary. His trouble is of the liver and is assuming a stage demanding attention.

It comes a little late, but coming from the editor himself, it must be true, that the Republican was not bought by Mr. Thompson in the senatorial contest last winter. But your correspondent can relate some very suggestive facts in this connection, which will take more than a simple denial to controvert. But, come to think of it, who ever made a statement that the Republican had been bought? The editor of the Republican seems to have "scooped" himself, as this is the first public reference to this generally accepted idea.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise. This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50 cents and \$1. Trial bottles free at McConnell & Berry's drug store; every bottle guaranteed.

SOUTH SIDE.

Politics are becoming very interesting at present.

A. J. Hawkins is helping W. S. Fitch put up alfalfa.

Clarence Goheen is hauling hay to town for W. S. Fitch.

B. C. Bowman was on the sick list, the fore part of the week.

The South Side Endeavor have changed their hour of meeting to 3 o'clock, P. M., because many of the people cannot attend at night.

Many of the South Siders have been attending the weekly concerts given by the K. P. band of McCook and will agree that they are delightful.

It is claimed by many of the farmers of South Side that the birds, of late, have been cleaning out the grasshoppers until there were less eggs laid this year than last.

Luther Fitch returned, Thursday, to his home in Iowa, after a long and pleasant visit in Nebraska. He seems to like this state and has made many warm friends during his visit here.

Bismarck's Iron Nerve

Was the result of his splendid health. Indomitable will and tremendous energy are not found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills. They develop every power of brain and body. Only 25 cents at McConnell & Berry's.

REDWILLOW STATION.

Perhaps there are some people that don't know there is such a place; so we thought we would take the best means to enlighten such—

THE TRIBUNE.

Improvement is the watchword here.

The elevator is complete and running day and night.

Our lumber yard is in full blast—with nails to help out; also a car of coal and one of brick.

Our stock buyers have their yards completed and one of them has bought bunches of cattle, sheep and hogs.

Wednesday night a paving train set a fire in the west suburbs, giving the inhabitants quite a scare. Did not learn the damage.

The first business to be completed and in working shape was the telephone line. If you want anything at Redwillow call up the operator and he will try to fill your order, from a mess of fish to a carload of almost any old thing.

One of our citizens seems to have a great desire to save the country in the capacity of county clerk. But I should judge from what I see and hear that he is too busy to let the politicians know anything about it. I think though, that what troubles him the worst is to see the salary attached to that office, finding its way each succeeding year, into the pockets of the enemy.

Volcanic Eruptions

Are grand, but skin eruptions rob life of joy. Bucklen's Arnica Salve cures them; also old, running and fever sores, ulcers, boils, felons, corns, cuts, bruises, burns, scalds, chilblains, chapped hands. Best pile cure on earth. Drives out pains and aches. Only 25 cents a box. Cure guaranteed. Sold by McConnell & Berry.

COLEMAN.

Thos. Real hauled out some lumber, Thursday.

School in district 65 commenced on Monday with Miss Keller, teacher.

Those young married people that poked a little innocent fun at Bert Wales want to "look a little out." Its "ketchin'" and sometimes its twins.

The Baptist Southwestern association will hold their meeting at Zion Hill church in this town, on next Friday, Saturday and Sunday, the 22, 23 and 24. Remember the place and date and turn out.

RINGLING DAY NEAR.

The Visit of the World's Greatest Shows Rapidly Approaching.

Ringling day is almost here. The coming of Ringling Brothers' famous big circus, next Monday, September 18, is the one subject of conversation. Expectation has been aroused as never before.

The public confidently looks forward to seeing a great show, and it will not be disappointed. The parade which inaugurates circus day would be sufficient to stamp the show as the monarch of all tent amusements. This stupendous display engages the services of over a thousand men, women and children, and fully five hundred thoroughbred horses. There are over a hundred magnificently carved and gold illuminated cages, dens and tableau floats. Each of the thirty great sections in which the parade is divided would be a lavish display for any other circus. The procession will leave the show grounds at ten o'clock, and the route will be the usual one over the principal downtown streets. Do not miss it. It will be the spectacle of a lifetime. The magnitude of the parade will prepare the public in some measure for the wonders of the exhibition. And it is indeed a wonderful exhibition. Imagine a vast hippodrome pavilion, with seats for 18,000 persons. Fill this great amphitheatre with rings and stages, and a bewildering maze of aerial apparatus. Surround the rings with a great fourth-mile racing track, and fill rings and stages, track and mid-air with an endless array of aerialists and acrobats, riders and racers, all attired in the most beautiful silks and cloth of gold, and each vying with the others in grace, dexterity and daring. Imagine all this, and you will still fall far short of the reality. The performance opens with the beautiful patriotic spectacle, "The Last Days of the Century," a noble introduction to a noble show. The arena surprises that follow include O'Brien's famous sixty-one horse act; three troupes of remarkably trained elephants, embracing Lockhart's elephant brass band and Marchand's pugilistic proboscids; an international horse exhibit, introducing beautifully-effective high-class menagerie riding by Mme. Ada Castello and Miss Allie Jackson; a complete company of aerial artists headed by the great Fishers; the world's greatest possible acrobats, the incomparable Da Comas; a score of famous bareback riders, including Michael and John Rooney, Edward Shipp, Julia Lowandie, Elena Ryland, Olga Reed and Albert Crandall, whose sensational act of equestrianism is performed upon the back of a mule; and scores of others equally famous. The menagerie is the finest collection of rare wild animals to be found within the boundaries of civilization, and the show in its entirety is a revelation of what managerial ability, progressive originality and unlimited capital can do in creating a great public amusement.

Reserved numbered seats and admissions, show day, without any advance in price at McConnell & Berry's drug store.

The most delicate constitution can safely use Ballard's Horehound Syrup. It is a sure and pleasant remedy for coughs, loss of voice, and all throat and lung troubles. Price 25 and 50 cts. at McConnell & Berry's.
